## AMBASSADOR'S MESSAGE

JOHN DYER OAM

Each New Year we structure a revised Game Plan for our lives and this year the President of Oceania our Basil Scarsella (Bless him) has given us and the Australian and World football scene another Game Plan to consider.

We have to take full advantage of this tremendous result of Oceania access to the World Cup competition.

From the Federation, Club and personal game plan we have to present a unified front to kick those goals of success for this special year.

Let this be the year that we confound the critics and turn the tide of negativity into waves of positive comment from the Media.

Our game is the World game played internationally. We do not have to stand in the shadow of the local ball game.

The enthusiasm of our children backed by Education authorities has already exploded the numbers involved and this will only multiply with the advent of further football (soccer) promotion.

Remember at all times that the children are the future of the game.

It is the year of change, we have to be leaders of our own destiny, let us accept the challenge of change.

The past year I have been privileged to visit the grounds of many clubs and attend functions, those occasions have again served to support the unique role of club administrators in their promotion of our football game and the relationship enjoyed with the local council. It is important that we maintain this high level of recognition for our junior, women's and senior games.

Both Federal and State Governments will be involved in Australia's quest for a World Cup berth and no doubt supporting finance will be a high priority.

Our performance on and off the pitch will be a prime factor in seeking the appropriate recognition for this future competitive role.

I have faith in our Minister, the honourable Michael Wright MP who has shown by his recent decisions in regard to the play continuing at our Hindmarsh Stadium that the State Government will recognise the importance to our State of this World wide recognition by FIFA.

Again I commend the Federation Commissioners on their performance in the respective portfolios and recognise the leadership of Chairman Tony Henshaw and the skilful guidance of our General Manager Tony Farrugia. The powerhouse of the Federation of course is the expertise of our staff. Congratulations to all especially the General Manager's assistant Ms. Katie Altamura.

We are in the closing session of our Centenary Year and Judy and I have enjoyed the sporting and social functions held to date which our Historian Mr. Denis Harlow has played a major role. It is important that we accurately record our history such as our game or a form of it was played in the 12th century in England and in 1863 a number of clubs met in London to form the London Football Association and adopted a code of uniform rules and the game was known as Association Football.

We have the history, we have the opportunity so take the challenge adopt a new game plan for this dramatic future that we are entering thanks to the magnificent effort of Basil Scarsella.

## CHAIRMAN'S MESSAGE

TONY HENSHAW

It has been a great honour to serve the South Australian Soccer Federation as its Chairman during the celebration of 100 years of soccer in this State.

Soccer in this country is going through a critical period. The results of subsequent events at a National level will effect all Stakeholders in the future.

Over the past 12 months we have seen several changes at Soccer Australia. The recent resignation of the Chairman and Board Members together with the Chief Executive Officer has further highlighted the desperate need for unity in our sport if it is in fact going to become a major force in the Australian sporting markets.

The Australian Sports Commission inquiry into the Governance of the sport will pave a crucial path for the way we all "do business" in the future.

Now that the Oceania Confederation has gained direct access to the 2006 World Cup, Australia will have its best chance ever of qualifying. As we have said on several occasions – Australia in the World Cup will be the biggest fillip that this sport can ever hope for.

In September, the Federation signed an Interim Agreement with the Amateur League, Juniors and Women's Association to see the formation of Soccer SA – which would be the governing body of the game in this State.

An interim Board has been appointed by each of the above stakeholders which will meet on a regular basis to formulate a business plan with the intention that by December 2003, Soccer SA shall be a fully constituted body representing all stakeholders of the game in South Australia.

In the Interim period, Soccer SA shall unite its resources in the areas of Marketing, Grants, Programming of events and the compiling of a common Data Base.

The effects of these National and Local matters will effect the development of the Federation's Business Plan – therefore it has been difficult to commit to the implementation of the Business Plan as we have drafted it. However, it was pleasing that several of the initiatives contained in our short term plan were

put in place during the year – including the introduction of Goalkick – a program for children aged 5 – 8 as an introduction to the sport.

As a critical part of our 100 Years of Soccer in South Australia celebrations we hosted Interstate matches against other

States as part of the Fasta Pasta Centenary Challenge. The results were outstanding – three wins and two draws – undefeated in five matches and unofficially crowned Champions of Australia.

On behalf of the Board I would like to thank all those involved with the organisation of these matches – particularly a big thanks to those States which travelled to Adelaide for these games.

We must acknowledge Captain Michael Brooks and all the players who represented their State with pride. Not one player was paid for their services but did so in the pride of representing their State.

Mike Barnett and his assistant, Jim Karabatsos must be congratulated on their preparation of the team.

Denis Harlow as Team Manager coordinated all training and match sessions ably assisted by Alan Horsfall, gear steward Joe Janko, Trainer Peter Duke and Dr Tom Mittiga.

Thanks to all the team – you have done South Australia proud.

In recognition of our community involvement the Board of Commissioners adopted The Smith Family as its charity for 2002. The Smith Family participated in several fund raising opportunities promoted by the Federation during the year – which gave this worthwhile charity the opportunity of interacting with our sport. We must thank the General Manager, Dr. Norman Ashton and all the staff of The Smith Family for the manner in which they embraced this opportunity.

Once again, we place on record the efforts of the many volunteers involved with our game both at Federation and Club level. Without your contributions week in - week out the game could not operate.

Congratulations to Donald Campbell who was presented with the Meritorious Service Award.

Donald is an icon in South Australian Soccer and has contributed so much particularly in his area of Refereeing.

This recognition of Donald's contribution to the game in South Australia is well deserved and demonstrates our appreciation of his services to the game.

Congratulations to all award winners presented at our Annual awards night. In particular, Serge Melta Medallist, Bradley Armour and Bob Telfer Medal Winner Mark Mulady.

Congratulations to all our League and Cup winners in this our 100th Year.

- Summer Night Series Champions – Adelaide Galaxy.
- Federation Cup Winners – Adelaide Galaxy.
- State League Premiers and Champions – Croydon Kings.
- Premier League Premiers – Adelaide Galaxy.
- Premier League Champions - Raiders

To our Clubs – thank you for your support during these tough times – I can assure you of the Board's commitment to sound planning for the future.

While the financial loss reported was not

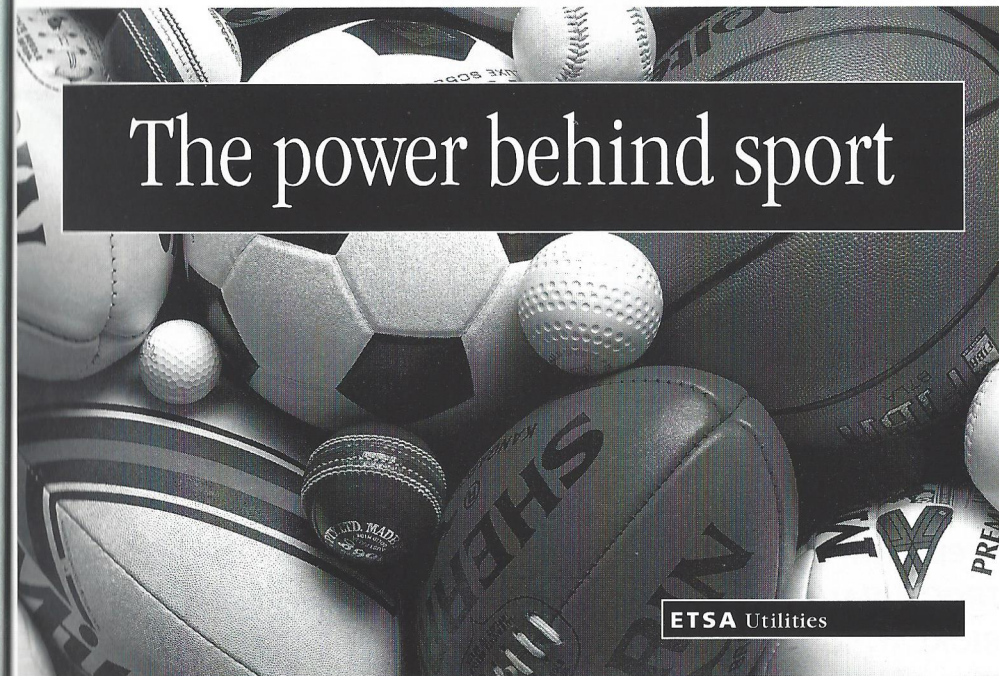

unexpected, we must now act in a responsible manner and concentrate our efforts of core business while we rebuild the game from grass roots level.

I must thank the Board of Commissioners for their support and loyalty since my election as Chairman of the Federation. Each member of the Board undertook their duties with enthusiasm and commitment for each of the tasks presented to them.

John Dyer OAM was elected as President of the Federation in 2000. John has undertaken his role with great dignity and embraced the sport with enthusiasm. John's support and advice has been greatly appreciated. The Board have recommended that John be appointed Ambassador for Soccer in South Australia from 2003.

It has been a difficult time for the staff of the Federation and to Tony Farrugia, the General Manager and all his staff I would thank you, on behalf of the Board of Commissioners for your loyalty and dedication.

Good luck to all clubs, players and supporters for the forthcoming season and may your club be successful.

## GENERAL MANAGER'S REPORT

TONY FARRUGIA

While the year just past has presented us with several high points to report, it has also, highlighted several difficult times which our sport is enduring.

We would have hoped with the settlement of the Hindmarsh Stadium issue that we could return to "core business" and celebrate 100 years of Soccer in South Australia.

Once again we were required to attend to issues which were not related to the conduct of the sport in South Australia.

The Board has since set about formulating a Budget for the future which will generate future profits for the game.

Make no mistake, this will be a difficult task and we all will need to share the pain as we rebuild our organisation concentrating on "no risk" areas of our operation.

While costs have risen substantially over the past 4 - 5 years - our income has suffered with a decline in Sponsorships, ongoing Hindmarsh Stadium issues and issues at a National level which impact heavily on our own operation and the way the sport is perceived in the Market Place.

Burying our heads in the sand, throwing our arms in the air is not the answer. It is our duty to look forward positively and move in those directions in promotion of the game.

What we do have at our disposal is the fastest growing code of football in this country and as Administrators of it, must look at all ways to ensure that it is promoted and supported in a positive light.

While that may seem difficult (some may say even impossible) in the current climate we must take the lead, unite and provide for our youth the opportunities that they deserve in this world game.

However we must do so within our means and rekindle the support and confidence of the South Australian business community. To achieve this fundamental and essential goal it will mean that all associated with the game will need to cast aside self interests - which has for so long held the game back from achieving its true potential.

With the formation of Soccer SA and the signing of the interim agreement between The Federation, Amateur League, Juniors and Women - a golden opportunity has presented itself on our own doorstep.

The Board has extended its hand to all involved in the sport to work with it in reaching its goals. At the same time we have set ourselves very high standards which must never be compromised.

We must always support our peak body - Soccer Australia. But who is Soccer Australia? The simple answer is that Soccer Australia is each and every one of us. And unless we support our National body we are going to find ourselves in the dilemma where the "power-brokers" (albeit outside of the game) will again take us nowhere.

With the positive announcement in December giving Oceania direct access to the 2006 World Cup it presents us with a unique opportunity to grow our sport in the lead up to the worlds biggest sporting event!

In short, if we want our game to be active and vibrant and successful then we must support it - from the National level who can then be free to do all things positive for the game - generating much needed income from the top down.

One just has to look at other sports such as AFL and Cricket. These peak bodies actually flow funds back into the local state level. This is because they are unified from the bottom up and allow their peak bodies to rule from the top down.

The Sports Commission inquiry into soccer will recognise the many deficiencies in our game. Lets hope that at the end of it the Stakeholders also take responsibility for where the game is headed.

Tony Henshaw lead a committee comprising Sam Ciccarello, Denis Harlow, Raz Di Carlo, Rob Chard and myself in ensuring that 100 years of soccer in this state did not go without recognition!

This committee ensured that we successfully celebrated 100 years of the game in this state. While this came at a substantial cost, nonetheless, it generated great interest at all levels.

It gave us the opportunity of recognising some of the people that have made some great contributions in this state and at the same time gave the present day players the opportunity of representing the state in the Fasta Pasta Centenary Challenge.

Playing five Interstate Matches – without loss confirmed South Australia as the “unofficial” Champions of Australia.

Our sincere congratulations and thanks to all the Players, Coaches and officials that have made it all possible. And of course a big thank you to the sponsor of the series, Fasta Pasta, without whom it would not have been possible to properly promote each event.

- **The Match Up of the Century.**
- **The World Cup Dinner.**
- **The Festival Cup** brought to Adelaide the worlds greatest teams and the cream of the worlds youth players. The event was an outstanding success and our thanks are extended to Mike Kennedy and Glen Dodds who promoted the event. We look forward to working closely with them again in 2003.

The celebrations will continue into 2003 with the launch of our History Book, being written by Federation stalwart Denis Harlow and the announcement of the Hall of Fame in May.

To all Clubs and Members, supporters and fans that supported the activities the Board extends its sincere thanks.

It has not been an easy first year for our Chairman Tony Henshaw. Tony has lead from the front on all issues and has been a respected leader of the Federation. Tony has supported all activities to the maximum.

I can say, without question, that Tony has given his heart and soul to the successful promotion of the game in South Australia. In the short time that he has been at the helm, Tony has developed and earned the respect of all who have dealt with him – at a National and State level. He certainly deserves the plaudits of our own stakeholders for the manner in which he has undertaken his role representing South Australian soccer.

The Development of the game is in the hands of our Youth. South Australia have always been recognised at a National level for our Youth Development programs. This is demonstrated by the fact that our Under 15 and Under 16 State Teams both made the finals of the National Talent Identification Championships. Congratulations to Martyn Crook and his team on this marvellous achievement.

The players who make it through to our Development Squads and State Teams come through our Junior Premier League ranks. Often, it is easy to overlook the efforts of those dedicated to Junior Soccer such as those people at a Club level who just want to see kids playing the game. Thanks to you all and to the Junior Premier League Committee headed by Commissioner Pat Bosco and Chairman John Russo and committee members.

We continue to develop our strategic plan although it has been somewhat difficult to positively implement plans for the future - given the “birth” of Soccer SA and the impending results of the Sports Commission Soccer Inquiry. The future funding of Soccer by the Federal Government will impact heavily on our Strategic plan.

This will be an ongoing function of the Commission working closely with the interim Board of Soccer SA. We welcome Tokyo Verdy 1969 back to Adelaide February 2003 for their Training camp. While we would have hoped for more camps in 2003, the contacts made and the relationships which we have built with several other Japanese teams augers well to training camps in the future.

With the uncertainty in the global market today we must ensure that we continue to promote Adelaide as a safe and friendly city to conduct training camps.

They say “actions speak louder than words” – no truer saying when one refers to Basil Scarsella – President of the Oceania Football Confederation, statesman of Australian Soccer and unashamedly proud South Australian.

Basil managed to deliver what those before him had failed to do – direct qualification for Oceania Confederation for the 2006 World Cup.

This decision alone has breathed a whole new life into Australian Soccer, given us all real hope for the future of our game.

The Chairman has made mention in his report of the efforts of John Dyer OAM as President of the Federation in the past two years. John’s dedication and enthusiasm for the role is greatly appreciated. He is always prepared to assist when requested. John’s role has been renamed to that of Ambassador for Soccer SA.

This years Summer Night Series has taken on a new format – taking the top six teams from the Premier League in 2002 and including the two newly promoted teams into the competition. Being conducted at the Marden Sport Complex during January and February the series is proudly sponsored

by Bianco Building Supplies – a great supporter of Soccer in South Australia.

Noarlunga Soccer Club has taken the initiative and is hosting a Summer Night Series for the State League Clubs – playing for the Fleet Street Cup – sponsored by Fleet Street Couriers.

The Premier and State League seasons kick off on March 8th and promise to be the most closely contested for many years.

Good luck to all the Clubs, Players and Officials for a successful 2003!

Our thanks to the sponsors of the Top Five series – Fairmont Homes and Bianco Building Supplies – great supporters of soccer in this State who have agreed to sponsor the Top Five again in 2003.

I must also place on record our sincere thanks to all those sponsors who continued to support our game during this difficult time.

The Office of Recreation and Sport continues to support our game at grass roots level through their Management and development programs – without this support all areas of our game would be significantly the poorer. Our thanks to Peter Schwarz, and the Minster, Michael Wright, for their continued support in this area.

Media coverage of our game at Premier and State League level is often left to too few. We place on record our thanks to all the working Media who have supported our game, particularly through community radio.

Rob, Val, Paul, Tony and crew at 5RTI who hosted the Saturday morning show followed by a direct broadcast of the Premier League match each week.

Coast FM provided great coverage to the game through their Sunday Soccer program thanks to Donald, Eric, Gary and Margaret.

Radio 5EBI continued its long running Saturday afternoon program feeding results and information thanks to Stefan, Luigi, Marian and Co.

Allan Crisp leads the 5RPH Soccer Show every Tuesday morning capably assisted by Rob Popplestone, and Angelo Picca.

Andrew Holman, sporting editor of the Advertiser and Local Soccer journalist David Valente continue to provide the local game great coverage. When compared to the coverage Interstate for local competitions we know why we are very fortunate to have two very good friends as Andrew and David.

Jack Smith, Allan Crisp and Denis Harlow continue to research and nominate inductees for the first Hall of Fame which will be announced at a gala dinner in May.

As well, Denis has finalised the writing of the Official History of Soccer in South Australia, which will be officially released and available in May.

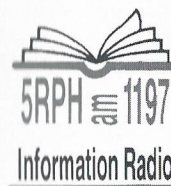

Denis Harlow. What can be said of this man that has not already been documented? Denis is not only a great loyal Soccer man but is to me a great mentor and friend. Thanks Denis.

In closing, I must thank Tony Henshaw and the Board for their support. Yes it has been a frantic time for us all but your support to me and the staff during this time has been appreciated.

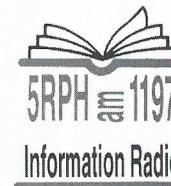

Finally, I implore you all to work together **as a team** for the good of our sport – lets put all these divisions and self interests behind us – only then we will truly realise the potential of the game that we have been entrusted to promote.

To quote an old saying. “There is no “I” in the word “team”.

Good luck to you all for 2003!

For over 30 years, Fairmont Homes has been providing South Australians with affordable, quality housing.

While consistently receiving positive feedback from new homeowners, Fairmont's hard work has also not gone unnoticed amongst its peers in the building industry. In 1999, the company won the prestigious HIA Sir Philip Lynch Award for outstanding service to the industry and building excellence.

Fairmont only employs the best tradespeople in the construction of each home and, whenever possible, sources its first quality building materials from other South Australian companies. This enables them to offer a seldom-rivalled 50 year structural guarantee on every home.

Fairmont Homes understand that years from now, when price is forgotten, it's essential that each home's quality and lifestyle advantages still endure.

## BLUE EAGLES

The year 2002 was not our best season for the club especially after being champions for the last two consecutive years.

On the field it was the first time that the team did not win the Grand Final after participating in seven and winning six.

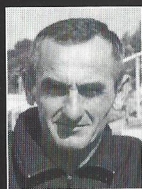

Off the field however was not a bad year. Our function centre is slowly gaining momentum featuring some overseas artists at our dinner dances. We are hoping to increase the frequency of such events.

The team last year lost a number of good quality players. The club saw this as a challenge and a positive sign to rebuild the team with some younger players. The club appointed international coach Dragan Sipka a national youth coach in Yugoslavia, who will be an asset to the club.

A special thanks to our new major sponsor Adelaide Pest Control and JS Fashions and all other sponsors.

Best wishes to all clubs for season 2003.

From missing out on the final series for the first time in twelve seasons (2000-2001) to finishing twelfth on the thirteen team N.S.L. ladder for 2001-2002 season, ensured they finished second bottom.

The build-up to the season was impressive with a successful 7 match tour of the South Pacific and Sydney. Force lost 0-2 to Marconi only hours after arriving in Sydney and had a 2-1 win over the Sydney Sharks, who later won the 2001-2002 N.S.L. Championship.

With a number of players leaving before and during the season, it was always going to be frustrating for coach Zoran Matic to maintain a settled squad. With only three senior players, C. Veart (Captain), A. Vidmar and A. Kovacevic, the rest of the squad was made up of young premier league players.

However, Matic soldiered on and during the season, passed Frank Arok's record of 429 games coached in the N.S.L. and now holds the record of 447 games coached in the N.S.L. (Congratulations Zoran from all City supporters). However, Matic resigned as coach on Monday 12 March (2002) and City's President, Bob D'Ottavi, took over the reigns as coach until the end of the season.

City's defender, former under 17 Australian International, Ian Fyfe, became the youngest winner at the age of 20, to win Australia's longest running media award, The Advertiser Golden Boots Award. Well done, Ian. Kovacevic came second and last year's winner, Aurelio Vidmar, was third.

Adelaide City's Premier League Team completed season 2002 in tenth position with Adriano Pellegrino receiving the Best Player Award. Again coach Neville Flounders had a very young squad to handle.

We can look back on season 2002 with a great deal of pride. It proved to be one of the most successful in the history of the club. The Senior Team won the summer cup competition, won the Federation Cup and finished Minor Premiers, while the under 19's were mid table. Congratulations to everyone, players, coaches, trainers and back up staff.

We look forward to season 2003 with eager anticipation. Once again playing our home games at Camden will bring real atmosphere back to the club. Welcome to our new coaching panel led by Alby Kidd. Alby's enthusiasm will rub off on all players and we can expect to see real improvement in all of our youngsters. Andrew Stathopoulos is in charge of our colts operations for 2003. He is in the process of forming a strong management team to make sure of an enjoyable year.

Our club takes this opportunity to thank the West Torrens Council for their assistance throughout the year and hopes that we can continue to work harmoniously with them in the future.

Finally, a giant thank you to our many sponsors. Your support last season was magnificent. We hope to be able to continue our association in season 2003.

Season 2002 saw Olympic finish in sixth position and miss the opportunity to play finals football. Under the direction of Branko Milosevic the players produced an entertaining brand of football that had them pegged in the second half of the season as the form side of the competition. However two uninspiring draws in the final two games saw the team pipped at the post for the last finals berth.

The under 23's under Menacas and Bob Wincer's under 19's went through a rebuilding phase in 2002 where many young players had their first taste of senior football. In a fitting finale to the year, the under 19's were worthy runners up in the league cup.

The Olympic Football Academy continued under the guidance of Zoran Maricic and in 2003 will continue its role of identifying and developing the wonderful talent at B27. Our juniors continue to do a magnificent job, where with 16 teams plus three women's teams and two Academy squads, Park B27 is now the home of the biggest Youth Soccer development program in South Australia.

Season 2003 will be a year of anticipation as the club will have a new senior coach at the helm in Jim Karabatsos whilst a new building program will also see the club develop South Australia's newest soccer stadium the "REGENCY PARK STADIUM" into a state of the art soccer complex.

The club's extends its sincere thanks for the business partnerships it established with its major sponsor Builder Lock and associate sponsors, Bianco, Clubs SA, Athans Travel, Ginos Engineers, Theo Parissos and Sons, its 250 club members and all other business partners.

## THE KINGS

2002 has proven to be a very successful year for everyone at Croydon. After losing no less than thirteen players from our First Team from the 2001 season, we put a lot of faith in some of our promising younger players. The Club can say that it has weathered the storm and achieved success in what can only be described as a remarkable season.

All three senior teams reached the top 5 play-offs and the U19s and U23s were unlucky not to go further, each of these teams finally going out of competitions

on extra time golden goals.

It was very encouraging to have a crowd of about 2,000 people attend the last game of the year against Enfield to see the senior team finish as minor premiers in the State League, gaining automatic promotion to the Premier League. Our senior team also succeeded in winning the top 5 competition to be crowned as the 2002 State League Champions.

Making the Grand Final of the Federation Cup was a bonus for our senior team. Whilst we did not win the Cup on this occasion, it was very satisfying to have reached the Final, defeating a number of Premier League teams on the way, including the eventual champions of the Premier League.

Congratulations to Ennio Luongo and all the coaching staff, players, team managers, trainers and committee members for a job well done in season 2002. A special mention must go to Shane Porter who has hung up his boots after 301 senior games. Shane's years of experience are not lost to the Club as he takes on the role of assistant coach to Ennio for the 2003 season.

The Club is strongly committed to Junior Development: we recognise that the young players are the future of soccer, not only for our Club, but also for the State and indeed Australia.

During the 2002 season, our U17 team was successful in winning the Ralph Clarke Shield and our U14 team won the Championship in their competition. Season 2003 looks to provide further success, the club expecting to field eleven teams in the Junior Competition.

We greatly appreciated having the Powerstate credit Union as our Major Sponsor during 2002 and are pleased that they will be continuing their support during 2003. We also thank SAGlass, Croydon Foodland, Standom Smallgoods and our other sponsors for their continued support to the Club.

We are looking forward to the challenge of a successful return to the Premier League and we take this opportunity to wish all Clubs the best for the new season.

Enfield City Soccer Club had a very successful 2002 Season.

With the appointment of our new Senior Coach Mr. Robbie DiTroia, his Assistant Mr. Peter Cristarella and the acquisition of a few experienced senior players the Senior Team went from strength to strength.

Although we felt confident of having a successful year we did not expect to gain promotion to the Premier League.

Having our Senior, Under 23 and Under 19 Teams all represented in their respective Grand Finals and with players who have participated in our Junior Development Program now playing in our Senior Teams it showed that the Club had depth in the Senior area which has been lacking over the past few seasons.

Our Under 23 team coached by Mr. Peter Cristarella won the League but were beaten in the Grand Final and our Under 19 team coached by Mr. Ralph Pinneri were Runner's Up.

Just to top off the season Mark Mulady was the recipient of the Bob Telfer Medal and was also the State League top goal scorer with approximately 30 goals scored.

All 3 coaches will remain for Season 2003 and we are looking forward to a new challenge in the Premier League.

The Jets are looking forward to taking another step in their rebuilding stage during season 2003. After an outstanding second half performance last season the club expects to be amongst the front runners at finals time.

Despite losing several name players, the first stage of rebuilding showed all the promise the club expects from its up and coming future

senior players.

This season will be a year of further development for the clubs exciting young players such as Kelly, Crowl, Stuart and Riemer. The return of Ryan Donovan after a knee reconstruction will also be a bonus.

The Jets have reappointed Duane Gray as Senior Coach for a further 3 year term and has added Ian Gale again as his assistance. John Duthie moves up to the U23 squad after a successful 2002 season with the U19 squad. A major boost to the coaching staff is Neville Flounders who will bring a great amount of experience into the Jets Under 19 squad.

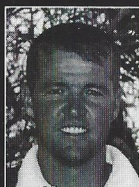

The senior squad has been strengthened by a few new signings of talented players fitting into the clubs direction of youth development for most in mind.

The Jets junior scheme also continues to bring exciting directions for the future.

Stability is the base of all progress and the club has been successful in maintaining the line at all levels from executive to junior ranks.

Season 2003 looks exciting and the club expects to move back into the finals race.

The Modbury Soccer Club would like to thank all sponsors and supporters and looks forward to continuing our association for the on-coming season.

The 2002 season was another outstanding success for MetroStars. For the second year in succession we played off in the final five and although we finished on a disappointing note we believe that overall, there was much experience gained by the club which will put it in good stead in the future. Having tasted the finals fever, we will be striving for the ultimate Grand Final win in September 2003.

Congratulations to our Under 23 and Under 19 teams for an exceptional year and both our Women's Premier Division and Reserve Division teams and our Under 14 Girls Team who also enjoyed a successful season in the SA Women's Premier League competition. We also congratulate the Women's Premier Division team who took out the Bailetti Cup for the second year in succession.

MetroStars is very committed to Junior Development and we will be proudly fielding 12 teams in 2003. The Junior program has gone from strength to strength and with the dedication of coaches and parents we are seeing some exciting young talent emerging. Our Burning Ambition Academy will also be expanded in 2003 giving our players the highest possible level of dedicated training possible. Congratulations to the U15 Boys for winning the league and to the U11 Boys who were runners up in the league and cup final.

Season 2003 will be a very exciting one for MetroStars as it welcomes its new coach - Mike Barnett. Mike comes on board with high credentials and a wealth of experience as a player and as a coach. We know that with his skills and passion for the game this can only build our club into a stronger force. We wish him and all players a happy and successful 2003.

Assisting Mike will be Carlo Talladira (Assistant Coach) and together with Steve Maxwell (Under 23 Coach) this exceptional team will take MetroStars to the highest levels.

An exciting development for 2003 is the confirmation that after many years of lobbying MetroStars will be given an opportunity to develop its own clubrooms and play home games at TK Shutter Reserve. Our thanks and gratitude goes to those who have been involved in securing TK Shutter as a home for MetroStars. We also thank and recognise the City of Port Adelaide Enfield for their commitment to the Club.

Special thanks must go to our sponsors, members and supporters for their never-ending support and commitment. Thanks also to our major sponsors Bianco Building Supplies and Tripodi Group of Companies.

We acknowledge and thank our Club Patron Joe Tripodi for his continued support and guidance, our President, our Executive Committee and our support staff who work tirelessly all year round.

Our motto - "MetroStars - Building Soccer for the Future" continues to inspire the Club into reaching greater heights for our men, women and junior teams.

MetroStars wishes all the Clubs a successful 2003 season.

Season 2002 was a very difficult season. I would like to thank the players, coaches and supporters for sticking by us in very difficult times. Maurice Natale took over the Coaching in mid stream and was able to keep us out of the relegation zone and we managed to finish 9th. A big thankyou to Maurice and his team and the players. The U23's also had a very hard season. On a brighter note, our U19's had a great season and played off in the grand final. Thanks to Charlie Tunbridge, James Stockdale their helpers and all the players for a great effort..

2003 promises to be a very good year for Para Hills with the appointment of well known Michael Brooks as our Senior Coach with Peter Waine, a well known Para Hills identity, to assist him. We are very lucky to retain the services of Stocky for our U19's and are yet to appoint an U23's coach. We wish Michael and all the boys every success for 2003 and want all our supporters to realise we are not going to go out and buy a team, but are building on a great group of young players at the Club who give everything for the Club and will hold us in good stead for the future.

All our Junior teams did very well again this season and we can't wait for some of these boys to come through to our seniors. Also our Girl's team did extremely well for their first year, and our Women's team did themselves proud. Congratulations to all those teams, their Coaches and all who helped.

A big thankyou to all our sponsors and the Salisbury Council for their continued support. I would like to wish all our teams the very best for 2003 and wish all the Clubs in the Federation a successful season.

Season 2002 saw Playford make major advances in two significant areas as the U23 team went from last place in 2001 to runners up in 2002, under Mick Doyle, Bobby Hogg, and Mark Brazzale, while the U19 side, under Dave Joy, went one better, finishing on top of their league.

The senior side made the finals for the first time, losing narrowly in the elimination final to a Raiders team that went on to win the finals series. The departure of coach Alby Kidd shortly after the end of the season saw Goalkeeper Dave Miller appointed senior coach for the 2003 season. With nine years in the national league, Dave is looking forward to the challenge of coaching in the Premier League. The appointment of Bud Hilton and Robbie Knowles to the U23 and U19 positions should ensure that the local talent of the northern suburbs takes its place in the Playford line-up in 2003 and beyond. Scott Window won the Club's first individual senior trophy, sharing the U19 John Francis Trophy with Raiders' Mark Burrows.

In addition to the performances of its senior teams, Playford enhanced its reputation in junior ranks with 3 more Cup final wins (U15, U13, U12), and a runner up (U17). Both U12 teams won their leagues, while the U15A, U15B and U17A sides were runners up.

Off the field the Club has been restructured as Playford City Soccer and Community Club as it seeks to expand its social role in the northern suburbs beyond that of being just a soccer club. The Club makes no secret of its desire to become the soccer focus of its local area, and of its determination to promote the game at all levels in the district. Given recent developments, Playford does not rule out the possibility of looking beyond the SA Premier League in years to come.

Lastly, the Club would like to thank Patrons, players, coaches, sponsors, volunteers and supporters for their help and commitment during the recent season, and looks forward to season 2003.

Telephone: (08) 8298 5835 Facsimile: (08) 8298 9855

The year 2002 was the most successful season for the club on and off the field.

On the field, what a fantastic finish by winning the Championship.

Through the finals campaign we had to beat all the other four teams in the top five to take the Premiership flag.

With the appointment in 2002 of our new coaching staff in Michael Petrillo and assistant Pat De Vita and a new committee the club has had a major turn

around from underachievers to Premiers. With a professional approach and commitment the club is going from strength to strength.

The year 2002 was a very special year for Adelaide Croatia (Raiders) as it celebrated its 50th Anniversary with a big Gala Ball function where some of the great past and present players came out to join the festivities.

Also in its 50th Year it was a great honour to host the Croatian Soccer Tournament in Adelaide. The event was the biggest so far with 27 teams participating from around Australia. It was a milestone in soccer also for the SASF as it celebrated 100 years.

This coming year 2003 will hopefully continue to be a success for the club with all the 2002 Premiership Team being retained and adding a few new signings to strengthen the squad. Hopefully the foundation has been laid for many seasons to come.

With the appointment of Tom Ford as Youth Development Officer, we must now also re focus on our commitment to the youth of the club and have the right structure in place to support and nurture our future.

On behalf of the committee and members we thank all our sponsors for their continued support of soccer in South Australia. Especially our major sponsors in Tudor Paver and Bianco Building Supplies.

Also many thanks go to all our players, coaches, volunteers and supporters for their loyalty and commitment during the season.

Good luck to all involved for season 2003 and we wish everyone at the club lots of success.

# WHITE CITY WOODVILLE

## Postal Address

Beograd Woodville Sports and Social Club Inc.  
PO Box 61, Woodville, SA 5011  
Telephone: (08) 8347 0711 Facsimile: (08) 8347 2729

## THE WARRIORS

The White City Woodville Warriors in season 2002 did not quite reach the heights of success that our demanding Beograd supporters expect of them.

Injuries and suspensions meant that the same line-up never started in more than two games in a row with a consequential effect upon team consistency. This and the lack of winning results

in key games undermined the Top 5 potential of the Warriors who turned in many fine performances but failed to achieve the match points that they so often deserved. The season however belonged to club stalwart, captain Bradley Armour who won another Player of the Year medal ten years after his first to become only the second player to do so in the award's 38 year history. Bradley polled votes in 70% of matches that he played including a remarkable 10 best on ground votes out of 20 full appearances!

The U23's reached the cup final but unfortunately went down to their jinx opponents, Adelaide City. Trophy cabinet glory was achieved by Beograd's U17B team who defeated the U/17A champions in a gripping extra-time cup final victory, with a "golden goal" by Andrej Djakovic. With four seasons playing in the same junior teams much is hoped for from these young stars of the future.

Under new management for 2003 the Beograd Club seeks to rejuvenate itself to achieve leading club status in coming years. Aiming to build upon existing player talent and provide stability Beograd has retained the senior coaching staff from last season.

Beograd was pleased in 2002 to obtain the support of long-time soccer supporter, Mr. Gordon Pickard and **Fairmont Homes** and will strive to build upon this excellent start and establish a fruitful relationship for many years to come. Long standing sponsors, **Royal Park Salvage, Northside Trailers, Vienna Butchers and Black Forest Bakery** provided sterling support as did **Supreme Kitchens**. Also a special thanks to all other club sponsors, all the tireless club workers, and our loyal supporters.

Our commitment to junior development over the past three years reaped its rewards this season with marked improvements in our U17, U19 and U23 teams. The U23's competing in the top five playoffs is testament to the clubs resolve to junior development to provide depth and strength for the long term viability of the club.

A solid performance in the summer series by the senior team showed indications of a promising 2002 season but a late surge for a top five finals position was not enough to secure a finals berth due to poor performances by the senior team in the early part of the season.

The club congratulates Arthur Floros (U23) on winning the Len Alagich Trophy player of the year for 2002.

We also acknowledge our principle sponsors for their valued contribution - Laiki Bank, Australian Whole Foods, Copyfax Stationers, Fish Factory, Galipo Food, Pizza Haven, Galanz Air, Barnacle Bill and numerous other sponsors, donor sponsors, members and supporters.

A special mention to our volunteers on which the club functions. Without these people who commit their time and energy throughout the season we would not have a club.

## Postal Address

Adelaide Hills Soccer Club (The Hawks) Inc.  
PO Box 539, Stirling, SA 5152  
Telephone: (08) 8388 8031 Facsimile: (08) 8388 8857

As a relatively young State League club, the Hawks are keen to develop in a positive manner both on and off the field. Despite getting the same amount of points as they did in their successful 2001 season, the club was disappointed to have missed out on the 2002 finals series.

Inconsistencies in front of goals have resulted in the senior coaching staff implementing specialist programs designed specifically for promising youth and senior strikers at the club. Also, a scheme to promote the club

amongst the local junior feeder clubs in the area will be developed, with the aim of putting something back into the 'grass roots' level and improving the clubs loyal supporter base.

The club farewell's senior coaches Rob Thornton and Terry Hayes. Their contributions to developing the senior players in the club have been invaluable and the club wishes them every success in their future ventures. Craig Leith returns to the State League fold as senior coach for 2003. He will be ably assisted by Mike Genikas (U23's coach) and former captain and club champion Juan Rodriguez (U19's coach). The new coaching panel will add experience and fresh new ideas to the senior set up.

Congratulations must go to the U19's who made the finals for the 5th successive season despite limited resources and to the amateur side who won the Division 7 Championship in their inaugural season.

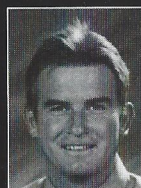

Following the success of our mens amateur team, we are hoping to field a womens amateur team in season 2003.

The Hawks fielded six teams (under 11 to under 17 inclusive) in the Junior Premier League last season. The major achievements of these teams were the under 11's winning the C Division and both the under 11's and under 17's making the semi-finals of the Cup Competition. Other highlights of the season included the under 11's and 12's training with the South Australian Senior Team at Hindmarsh Stadium and five of the under 13's acting as ball boys in the Festival Cup.

The development of our home ground at Woodside will be a major focus for the club in the coming year. Much work has already been completed and we optimistically look to season 2004 to play our first game on our new pitch.

The club greatly appreciates the contribution it receives from all the sponsors and dedicated supporters - your generosity and commitment is invaluable. Many thanks to all of you.

Good luck to all in 2003 - let the game begin!

## RED DEVILS

Season 2002 was a major disappointment for all involved with the Club.

Despite losing many players the Club recruited some promising talent, which, it was hoped, would maintain our status as a force in the Premier League. This was always going to be difficult considering the side was made up of many new faces.

The results eventually forced the Club and Senior Coach, Jan Kierno, to part company and it was always going to be an uphill battle for joint coaches Tony LaScala & John Panagis to keep the Club in the Premier League.

Congratulations to the U/19's who again achieved success in winning the Federation Cup competition under the guidance of Tony LaScala.

Season 2003 brings a new Head Coach to the Club, in Maurice Natale, who has assembled a senior coaching staff including the experienced Ray Deeley as the 23's coach and under 19's coach Frank Perrotta, who has previously coached the Club's under 17's. This coaching panel, together with the new Management Committee, brings a breath of fresh air to the Club with the aim being promotion to the Premier League.

The Club's juniors continue to grow at an astonishing rate, with record numbers of young, energetic players, wanting to don the 'Red Strip' of Campbelltown City.

The Management Committee, with Panfilo (Chic) Ciccocioppo back as Chairman, are looking forward to the task of guiding the Club back to the Premier League where it deserves to be.

To our members and supporters, the Club needs you more than ever this season so come and support the Club and its players and assist us in achieving our goal.

## THE FOXES

In season 2002 the "Foxes" finished in second position in the minor round, but missed promotion to the premier league after a disappointing finals display. During the season a number of young players were called up to play first team football, and in combination with our experienced players managed a creditable 15 wins for the season.

2002 senior coach Richard Preston resigned his position after two strong seasons to spend more time with his family. The club has made a statement in signing NSL stalwart Serge Melta as our senior coach for 2003. Serge brings to our club his years of soccer experience and knowledge, and has in place a number of strategies to ensure Cumberland United are back playing in the premier league in the very near future.

The youth of Cumberland United excelled in 2002, which bodes well for our future. Our U/23 team made the finals and our U/19 side finished the season on top and won the grand final. Our junior teams took out the overall top club award at the Strikers junior carnival.

The number of women playing for the "Vixens" continues to increase, and all looks well for women's soccer at Cumberland United.

The club sincerely thanks its sponsors AR Leane & Sons Pty Ltd, Pedro's Pizza, Ray White Real Estate Unley, Romeo's Foodland, Home Mortgage Services, Transport Training Centre SA Inc, VIP Electrical Services. We look forward to their continued support during season 2003.

Finally Cumberland United extends a warm welcome to all our new players and families who made the journey to the foxes den in season 2002.

Once again Noarlunga approached season 2002 with a positive attitude and an enthusiasm that was unquestionable.

Season 2002 was a good year for Noarlunga finishing in fourth position and fifth in the Top Five Series.

Thankyou to our coaching staff, support staff and players for a productive season. As we continue down the same path, striving for excellence, our goals and dreams will become reality.

Our Under 23's with Mike Thomas as their coach took out the Championship in style. Congratulations to our coach and players for their efforts and commitment for the year.

The junior development foundations laid down by Noarlunga has once again seen an increase in the number of teams participating in 2003. Thank you to all our coaches, team managers, players and parents for their efforts throughout the year.

The Management Committee would like to thank all our players, sponsors, members and supporters who contributed in any way to the club's operations for the season as we look forward to yet another productive year.

The Committee, as usual, has worked tirelessly throughout the year and will continue to do so as we stand UNITED and strive for excellence and success, in being promoted to the Premier League.

On behalf of the "Bulldogs" Management Committee, I would like to wish all the clubs participating in the State and Premier Leagues competition, the best of luck for season 2003.

The Northern Demons looks forward to the 2003 season with great anticipation in what promises to be an exciting year for the club on and off the field as a \$300,000.00 Redevelopment draws to a close thanks to the efforts of some extraordinary members who have contributed their time voluntarily. With the assistance of a State Government Grant of \$50,000.00 the club is in a very strong position to now consolidate and focus all its energy into playing finals.

The team and its coaching staff have had a change in personnel. The Club has brought back dual NASA premiership coach George Hedges as the Senior Coach and has appointed former NASA Medallist Tony "Ibby" Introna as the U19's Coach. George is well respected within the northern areas and has top credentials with two NASA undefeated premierships with the then Virtus Soccer Club. Since joining the SA State League four years ago the Club has made the finals on two occasions and is confident that it can go one step further to our first State League Premiership. The club has some exciting youth coming through and with Tony Introna coaching the U/19s it's seen as a real coup and a huge step in their progression to make sure our boys are ready come March.

With the continued support of our major sponsors in Fairmont Homes, Gadaleta Steel Fabrication, Hunter Financial Services, Hunter Pisani Public Accountants, Mark Hanlon Sportscene, Dulux Acratex, Knapman St Liquor, Big Blue Internet, Crystal Brook Charter and CSR Readymix the club is well placed to have a great year.

## PANTHERS SOCCER

DARE TO WIN

The Panthers have now spent 4 years in the competition, building the base for a concerted push towards the premier league. In our original strategic plan we expected this base to take 3 to 4 years to become solid enough to take on the commitment of supporting a Premier League team.

Our teams in the past have always shown a degree of youthful talent without always having the experience to string together a number of wins that would create the platform to make a concerted challenge for the final 5 series.

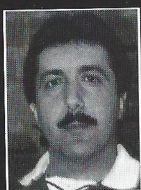

2002 saw us make changes to the playing personnel as well as some of the coaching staff. Some of the changes we made did not deliver the expectation of many. Clearly the overall age of our squads proved to be a disadvantage and while we looked highly competitive in many games, we simply did not get over the line as we needed to have done.

We managed to take advantage of some opportunities that came our way in 2002, which we have since been able to capitalize upon. The team for 2003 looks far more solid, with a number of young and experienced players that have recognized our desire to make the transition to the next level. They have seen the facilities we have been able to build on at O'Sullivan's Beach and been willing to join us as we make a serious challenge for honours.

Our 19's of 2002 took a very solid step to making an impact in the age competition. We expect to transfer that achievement into the open team in 2003.

Among the new players we have joining us are 2 very talented boys from England who will be holidaying with us for 6 months, before they move to another part of the world in search of their soccer dreams. Both have played for England in age competition and will bring UEFA coaching skills for our juniors. This development comes from our continued commitment to develop links with coaches and players in the UK, to improve the overall standard of our playing staff. They are joined by a number of ex Premier League players, including Joseph Calvese, who is having a break from his commitment to make the grade in Europe after a year in the Italian 4th Division.

2003 will see a very different Panthers outfit in the League. I am sure it will only add to the enjoyment of all and a general lift in the standards of the State League.

## THE PIRATES

For the 2003 season we have appointed Derek Hall as our Senior Coach, Derek comes to us with a vast knowledge of the game from playing as a Professional in the UK and also some high level Coaching appointments, we welcome him to our Club and wish him the best for 2003.

During season 2003 we will begin celebrating our 100th year as a Club, these celebrations will commence in April and run through until April 2004 to complete our Centenary. Over this period of time the Club has produced many players and officials that have gone on to bigger and better things in the soccer world and beyond, to name them would take up more space than is available, however we wish that all of those that have been associated with our Club during this time to please contact us and we will endeavour to involve as many of you as we can in our celebrations.

We now look forward to the coming season with much anticipation.

We would very much like to thank our Major Sponsor for 2002 Ray White (David Loper) Real Estate of Semaphore for his support and look forward to continued support for the coming season – don't forget for all of your Real Estate needs contact David and he will be only too happy to help you. Sincere thanks also to, The Good Guys – Thebarton, The Legtrap Hotel at West Lakes, Craig Webber Carpentry, Stockwell Motors, Jo Koul Marketing, Optus World West Lakes and BJ Crane Hire for their support as well.

Best wishes to all for 2003 – Go you PIRATES.

Another season is fast approaching and the Port Pirie City Soccer Club is ready to take the field again.

Looking back to the 2002 season the Club started with no great expectations, but with the efforts of coach John Caputo and all players alike we nearly made it all the way to the finals.

Our 23's and 19's could have done a lot better, unfortunately injuries got the better of them, but I am sure they will be at their best this year.

The year 2003 will mark a new challenge for our club, last year we had made some changes to the soccer committee and coaching staff and I feel that this year we have fine tuned them. With the appointment of one head coach in John Caputo and assistants like Tory Caputo for the senior team, Roy Bellifemini for the U23's and Michael DeGioia with Terry Caputo for the U19's we have the right blend of experience and youth to tackle 2003. We have changed our philosophy and we will concentrate on developing new local talent and we are prepared to give them all the opportunities.

Our official pre-season will start the first week of January and I am sure we will be ready to tackle our oppositions.

The Port Pirie City Soccer Club committee is also better prepared with this being the second year that we are together. During the 2003 season the efforts of the committee will also be directed towards making the club, Port Pirie City Spirit, more involved in the local community.

I would also like to acknowledge the work of our Ladies committee, they put a lot of time and effort in assuring our visiting teams have a good stay.

Finally the last word goes to our sponsors, this year we have again the support of our very good friends, without their support soccer would not be able to thrive. So a special thanks to all our sponsors especially our majors, The Risdon Hotel, Porta Building and Discount City Carpet.

Although Salisbury missed the finals series in season 2002 we believe the club is on the right track to becoming a force in the State League in 2003. Senior Coach Paul McKenna and Under 23s Coach Ron Cooper gave many youngsters a chance to show whether they could do the job in the seniors and most proved with longer extended runs they are more than capable. Young Matt Garaffa, Steven Hughes, Brett Davies and Corrie Van Paridon showed that they are the future of the club and should blossom this coming season. Paul will again coach the seniors and Ron Cooper will become his assistant. Dave Joy has returned to the club after coaching Playford's Under 19s to a double last year. There is plenty of talent at the club and if it is channelled in the right direction I'm sure we can make the Finals in season 2003. This Season Salisbury United Soccer Club hopes to get as much support from its supporters as it did in 2002 as this is so important to keep the club going in the right direction. The club will hold more functions this year to enable us to maintain the finances needed to run the club. The last few years have been very difficult but I'm sure with your support we can become stronger in the next couple of years.

'Alaska Foods' will once again be the major sponsor (a big thank you to Dave) for without these people clubs just wouldn't survive. To all our other sponsors thanks once again hopefully we will add a few new ones.

Lastly I would like to thank the coaches, committee volunteers and supporters for their efforts last season and look forward to the same commitment this year.

The season 2002 was not a very good year for Seaford. For various reasons, we lost most of our senior players, so therefore we had to rely on mostly our junior players. In my opinion they did well with what was available. The wind of change started last year with the appointment of Lemmy Vatsilas to the club. The wind has increased to gale with this year's appointment of Tony Cocos from Romania. Tony has only been in this country for a few years, and lives in the Noarlunga area. We wish him well in his appointment at Seaford Soccer Club and his new country.

The Amateur part of the club missed out by only one point to promotion for division 2 in the Amateur League, and the Colts did very well this season. Also some of the younger colts got experience in the higher age groups and we are about to start female soccer this coming season. We as a club are looking forward to the coming season. We would also like to thank our main sponsor Coast View Motor Inn for their generous support.

Under the guidance of the newly appointed Chairman and Senior Coach, Western Strikers had hoped for a very successful season 2002. However, after a brilliant start, the senior team lacked consistency and this was highlighted with a winning drought! This forced the club to take drastic measures and appoint a new head coach. The dedication shown by both the new coach Pat Crisci and the players, for the rest of the season, was unquestionable. Although we did not reach the top five as we had hoped, the way the team ended the season was very promising!

During season 2002, the club was able to give opportunities to our promising youth to display their talents in the senior ranks. This will once again be the case in season 2003, with the club dedicated to promoting the youth from within our club. Our dedicated development staff, work tirelessly to produce players of such great skill and ability.

Obviously, to reach our goals and to continue to strive forward, means stability is of utmost importance. Hence, the reappointment of Pat Crisci as senior coach for 2003. Under his guidance and with the determination and positive attitude being displayed by our players already, season 2003 holds much promise!

The committee and coaching panel has once again dedicated so much time and effort, which has helped make Western Strikers the successful club it is today. Special thanks also to all our sponsors for their continued support to the club.

With the club being fitted out in new strips this year, we look forward to an exciting and successful season!

Riverland Soccer was reduced to four (4) teams in 2002, with the demise of Renmark Stars.

Berri River Rangers won the first trophy of the season in the President's Cup, with a close victory over rivals Renmark Olympic at Loxton Oval in the season's opening competition.

Barmera United had one of its best seasons in recent times and won the Riverland Soccer Premiership, with several games of the season left. The Club showed terrific fighting spirit and also teamwork to take the title with main striker Jim Fournaros finishing the season in great style to take the Association Top Goal Scoring Award.

Best & Fairest Award this season went to the talented Renmark Olympic mid-fielder, Heresh Salehi. The teenager showed great skill and strong running in mid-field and fully deserved the award.

Barmera United also won the season's final trophy - The Top Four Cup. The final at Renmark was between the league winners and Berri River Rangers. The final was won in extra time 4-3. Barmera United was three (3) goals down at half time to the talented Berri River Rangers side, but ran out close winners in a great fight back with youngster, Aaron Cooke, kicking a late winner from 18 metres.

The Riverland Junior Soccer teams continued their great progress under Area Development Coach, Steve Poutakidis, who continued his great work over the last several years.

The Riverland U13; U15 and U16 teams won State Country titles, with the U12 side winning a Country title. All the Riverland sides supplied players to the sides from the Area (Riv).

The Riv. S.A.P.S.A.S.A. team performed well this season, with several players invited to Adelaide for trials at State level. Todd Blacksell; Grant French and Jackson Davis travelled regularly to Adelaide for the State U13 Development Squad with Todd Blacksell winning selection for the State and travelled to Tasmania to compete against the Development Squad in Hobart.

It was another great year for Soccer in the Riverland at both Senior and Junior levels, with the Juniors continuing their great progress under Coach, Steve Poutakidis, plus the many coaches at all Clubs.

Special mention this year to Trainers, Chris Matthews and Dennis Finn, for tireless work with players from all Clubs and the Association side. The Association side played in Adelaide at the Country Championships. Two (2) losses and a draw was achieved with the highlight being a match at the magnificent Hindmarsh Stadium.

President Joe Vikor led the Association extremely well this season and full marks to the whole committee for their hard work and endeavour.

Western Border Soccer Association had another good year. The results of the competitions in 2002 were close for most grades, and also in the Individual awards. Adam Hodge, who is also our Junior Development Officer, took out the Camilo Gatto Medal for 2002.

In 2002 the Board of the Association under the guidance of President Mr. Vic Gentile worked hard on our Junior Programs. We started our Junior Development, Dycer Academy, Girls Soccer and Rooball. We are aiming to continue to improve these programs to improve Junior Soccer in the Western Border Soccer Association.

This year our Under 15's at the Championships in Noarlunga came runner up and it was a credit to coach Joe Versace and his squad. Our Under 11's won the Championships in Whyalla, under the direction of Cameron Craig. Congratulation to both coaches and teams.

We are extremely pleased that our Junior Teams are now very competitive against the Associations within the SAJSA. Quite a few of our juniors were also involved in the State Country Select Teams competing in Adelaide over the October long weekend. Michael O'Connor from the Under 11's won the Under 11 player of the competition.

Our Seniors competed in the Championships hosted by the SAASL in Adelaide over the June long weekend and came second from 4, which was extremely pleasing as under the coaching of Jeff Napier it was a young and inexperienced squad. We have experienced a growth in our Under 11 age group this year and will be expanding their competition in the near future.

Life Membership was awarded to Linda McRobert at the Association Presentation Night for her service to soccer.

In 2003 we welcome Hamilton Rovers into our Association, which will again give our association 9 clubs.

Season 2002 in the Whyalla Soccer Association competition belonged to Croatia, the team in red captured all six trophies that were up for grabs, three senior and three reserves.

In the Westland Jewellers League Championship they won 13, drew 4 and lost 1 to win the competition by 5 points from defending champions Steel Utd.

In the reserves they won 14, drew 2 and lost 2 to win the competition by 3 points from Lions.

The season opened with the round robin League Cup, all teams played each other over 7 weeks with the top two teams contesting a one off final. In both grades Lions finished top with Croatia being the runner up, but the finals turned out to be a red weekend with Croatia beating Lions 4-2 in a penalty shootout after drawing one goal each in extra time. The reserve final was more conclusive with Croatia winning by 2 goals to nil. Robert Rendulic scored both goals for Croatia and ironically transferred to Lions a couple of weeks later.

In the League Championship, defending champions Steel Utd sat on top of the league ladder for some 12 weeks but once Croatia got their nose in front, they were unstoppable.

In the Reserves Lions got off to a good start for the first 6 rounds, but after that the lead changed hands just about every weekend until with about 3 rounds left when Croatia got on top and stayed there to win their first championship in some 15 seasons. The final competition of the season, the knock out Association Cup, saw Croatia beat Wanderers away by 6 goals to 1. In the semi final they beat Whyalla City at City Park by 6 goals to 1 and in a one sided final Croatia completed the treble by beating Port Lincoln by 5 goals to 1.

Croatia reserves also completed their treble on the same day beating Lions by 4 goals to 2, however this game was more entertaining and could have gone either way.

# COLLEGIATE SOCCER LEAGUE REPORT

MICHAEL HIHIMANIS – CHAIRMAN

The Collegiate Soccer League (CSL) is an associate member of the South Australian Soccer Federation, and it comprises of teams nominated by Universities, Colleges and High Schools, which have been accepted by the CSL council.

Each year traditionally begins with a Pre-season Carnival, with all clubs invited to participate in a one (1) day tournament. As well as the League Championships, the Collegiate Cup is contested with teams playing each other in a knock-out competition – each season culmination

with the Cup Final.

I would like to congratulate all of the 2002 season's Trophy winners. They are as follows:-

- The CSL pre-season Carnival, played at the University of Adelaide Playing Fields (Zoo Grounds), on Saturday 13 April 2002, was won by **University White**, who defeated University **Blue** 1-0.
- The CSL Division B1 League Championship was won by **Mercedes Old Collegians**, which won fourteen (14) matches and scored fifty-two (52) goals (conceding only fifteen (15) goals) during the eighteen (18) match home and away season. The runner-up was Rostrevor Old Collegians.
- The CSL Division A2 League Championship was won by **University of South Australia Wanderers**, who won eighteen (18) matches and scored one hundred and two (102) goals during the twenty-two (22) match home and away season. The runner-up was Pembroke Old Scholars.
- The CSL Division A1 League Championship was won by **Mercedes Old Collegians**, which won fourteen (14) matches and scored sixty-one (61) goals during the eighteen (18) match home and away season. The runner-up was University **White**.
- The **Collegiate Cup**, played at Norwood Oval – a first for the Collegiate Soccer League – on 26 October 2002, was won by **Rostrevor Old Collegians A**, who defeated University **White A** 1-0 in the Cup Final.

Finally, I would like to congratulate the Collegiate Soccer League on yet another dynamic, successful, and enjoyable season, and sincerely hope that the 2003 CSL season will be one of good sportsmanship and outstanding soccer for all of the players and their respective clubs.

The objectives of the CSL are to promote, organise, control, and encourage good sportsmanship in Soccer matches and Competitions for Students and Graduates of Universities, Colleges and High Schools.

Founded in 1981, the CSL began with five (5) clubs fielding eleven (11) teams in one (1) division – of which seven (7) teams were previously in the SASF Metropolitan 2nd and 3rd divisions.

Although wealthy in enthusiasm and popular amongst its peers across Australia's soccer fraternity, the Collegiate Soccer League has continued to operate on a "shoe-string" budget, with an Executive Committee comprising of a Chairman, an Assistant Chairman, a Treasurer and a Secretary, who all volunteer their time and effort for the success of this league.

The CSL has always enjoyed the support of all its members, who are instrumental in providing a soccer league that prides itself in its key principles of conduct, namely : promotion of sportsmanship in a competitive environment; democratic fairness in all its activities; good and effective management of the league; and accountability to all its constituents.

The Collegiate Soccer League is enthusiastically committed to develop positive relationships with the bodies and individuals that will further enhance soccer at all levels, not only within South Australia but also throughout Australia – my attitude is that **we should all be part of the same team : fighting for the same cause!**

Since its inaugural year, the CSL has expanded, welcoming new clubs and their respective teams.

Last year saw a "home and away" **League Championships** competition comprising **thirty-two (32) teams**, which was split into **three (3) divisions** from the start of the season. There were **ten (10) teams** in each of **Division A1** and **Division B1** and **twelve (12) teams** in **Division A2**.

## COACHING AND DEVELOPMENT REPORT 2002

**TECHNICAL DIRECTOR/SASI NTC COACH – MARTYN CROOK**  
**ADMINISTRATION MANAGER – JOHN MUNDY**

### COACHING COURSES

During the 2002 year the department held a number of courses – Introduction to Coaching – Junior Licence – Youth Licence – Senior Licence, and the new welcome addition of the Goalkeeper Licence.

Three Junior Licence courses were held in country areas and some country coaches attended higher-level courses held in Adelaide.

We have pushed hard this year to be able to host the new Soccer Australia Goalkeeping Licence and we were eventually rewarded with a visit from Jim Fraser, Soccer Australia's Goalkeeper Instructor.

The course was conducted over three days and Jim was assisted by our own Instructors Martyn Crook and Chris Terpcou.

Participation was open to any coach that was currently registered with the SASF and held a minimum Youth Licence accreditation.

Country Area coaches from Port Pirie, Whyalla and the Riverland were in attendance.

We have continued updating and improving our courses in consultation with Jim Selby our National Director of Coaching.

New presenters who have been used on the courses include SASF Development Officers Chris Terpcou and Carl Maynard, we also have from Women's Soccer, Wendy Carter who recently undertook an Instructors Course at the Australian Institute of Sport in Canberra, and her involvement is in keeping with the increased amount of female coaches attending our courses. We welcomed back Zoran Maricic, a well-respected instructor, also used were Jeff Napier, Elvis Markov, Brenton Hiern, Airtion Andrioli and John Mundy.

We are very proud of the quality of instructors we have now acquired, in particular their open minded approach towards modern trends and their overall knowledge of the game, which hopefully will benefit all those who attend these courses.

### Accreditation and Licences

Our main aim this year was to have everyone at the Senior Level suitably accredited and this we have achieved. Our focus next year will be to work harder

on policing the junior coaches and work with them and the clubs to provide more easily accessible courses, with more flexible time slots and geographical convenience.

### COACHING EDUCATION

The South Australian Soccer Federation in conjunction with Soccer Australia put on a two-day workshop for high performance coaches.

The programme was a combination of lectures and practical work conducted by the following presenters who we would like to thank:

- **Frank Farina** – *National Men's Coach*
- **Ange Postecoglou** – *National Men's Youth Teams Coach*
- **Adrian Santrac** – *National Women's Coach*
- **Jim Selby** – *National Coaching & Development Manager*
- **Steve O'Connor** – *AIS Head Coach*
- **Martyn Crook** – *SASI Head Coach/Technical Director SASF*
- **Jim Fraser** – *National Teams Goalkeeper Coach*

Thanks to:

- **Ajax (Holland) and Vasco de Gama (Brazil)** for providing their coaches and players for practical sessions.
- **S.A.S.I.** – Players for their participation in practical sessions..
- **South Australian Sports Institute and Adelaide Blue Eagles** – for the use of their excellent facilities.

### COERVER COACHING REPORT 2002

In January 2002, the South Australian Soccer Federation conducted its first Coerver Coaching Clinic. This clinic was seen as the pilot clinic for the April school holidays, and was conducted by Airtion Andrioli. In April 2002, Coerver Coaching was officially launched by the SASF, information was sent to Federation registered players, between the ages of 9 – 13y.o. along with information being placed on the SASF website. These clinics proved to be the catalyst for Coerver Coaching in SA. **Nine** clinics were conducted in the April school holidays at venues in the North, South, West and North East

of Adelaide. These clinics were also used to give out information regarding the forthcoming Coerver Soccer Academy Trials. By all accounts, these clinics were a tremendous success, with the only unfortunate thing being, we had to turn people away.

In **May 2002** trials were held for the Coerver Soccer Academy, the target age groups were **U9's, 10's, 11's & 12's**. The trials were held over a 2 week period, and were attended by over 100 trialists, (which exceeded our expectations by approx 50%). A selection panel of State / Regional and Development Coaches finally selected 3 squads consisting of 48 players and one Scholarship player (Kosta Mantis, who was selected for the Coerver Oceania Squad).

The Coerver Academy is a 90 hour intensive program which finished in December 2002. It covers ALL aspects of game play including tactical and technical awareness.

Other Coerver clinics were held in the July and October school holidays, and once again proved to be successful and in great demand. The SASF will shortly be conducting a Coerver Accreditation course for coaches, in anticipation of a surge in demand for the program.

The following coaches should be congratulated for their hard work in establishing and maintaining a high quality product.

**Zoran Maricic – Airtion Andrioli – Geoff Hargreaves – Rob Thornton – Carl Maynard – Dominic Quagliarella.**

### GOALKICK

In May 2002 Goalkick was launched with six centres being established throughout the state. Cumberland,

Enfield, Metro Stars, Modbury, South Adelaide and Western Strikers all hosted programs.

Goalkick is a Soccer Australia skills program designed to target young boys and girls aged 5-7 years old, with the aim of getting children to understand the skills and rules involved in the team sport of soccer. This program is in line with the **National Junior Sport Policy**.

All reports suggest that the participants enjoyed their first taste of a structured soccer programme. The clubs were also delighted with the influx of young junior players being introduced to the pathway of soccer.

Full credit must go to all the club Goalkick coordinators, Ray Dixon, Alan Morris, Michael Giuffreda, Domenic Quagliarella, Steve Cox, and Pat Crisci for a top effort.

### SCHOOL CLINICS

The demand for school soccer clinics increases each year. This year our two S.A.S.F. Development Officers Carl Maynard and Chris Terpcou made regular visits to schools. The program also included visits from SAWSA Development Officers Lia Augimeri and Laura Mazzone. The popularity of soccer within the schools is very encouraging for the sport. The increase of staff this year has enabled more contact with schools, this has resulted in an approximately **250% increase** in clinic participation compared to 2001. These school clinics allow both boys and girls to be introduced to the basics of soccer. Reports from the schools indicate, they have been very impressed with the standard of the sessions. Also a special thanks goes to Airtion Andrioli, Geoff Hargreaves and Bess Hepworth for their support during the year.

### GOALKEEPING CLINICS

This year the SASF introduced holiday goalkeeping clinics. They were held at the Parks Community Centre by our S.A.S.F. goalkeepers coach Chris Terpcou and were aimed at goalkeepers between the ages of 8 and 14. It allowed the opportunity for promising goalkeepers to gain valuable coaching in this generally neglected field. It was very encouraging that the demand for the clinics increased in each of the holiday breaks. Next year it is our aim to again provide these sessions at The Parks and also branch out to local clubs.

### Development Squads

#### Under 13

The squad was formed in January and began working under the guidance of coach Jeff Napier. Unfortunately, Jeff decided to return to Mount Gambier and a replacement was sought for the squad. The Federation decided to delay a formal appointment until the new season and therefore placed joint coaches in the interim position. Manager/ assistant coach Bill Mitropoulos and Mick Doyle were put in charge and have worked well during the year.

The squad has taken part in games against Tasmanian touring teams and has also toured Tasmania. The results there were very encouraging and the squad has excellent potential.

#### Under 14

Brenton Hiern has continued his excellent work with the squad and the group are progressing well. They competed at the Friendly Games in Sydney and played with excellent technique and team cohesion. They have also played games against Tasmania and travelled to Mount Gambier to play against Victoria. This group has a big year ahead and will be looking for selection in the Australian under 15 team to compete in the Oceania Cup.

#### Under 15

The under 15 group with coach Elvis Markov has progressed very well over the last few years and went to this year's National Championships with high hopes. Those hopes were justified as the team performed extremely well and played a well organised and skilful brand of soccer.

They reached the Final without any real hiccups including a 6-0 thrashing of Northern New South Wales in the Semi Finals.

Unfortunately, they were defeated in the Final 4-0 by New South Wales.

Congratulations go to Elvis, manager Tony Scanlon,

and trainer Mark Elsie and of course the players for an excellent effort.

#### Under 16

Coach Airton Andrioli's under 16's were the outstanding team of the competition. They went through the group stages undefeated only to stumble in the final against Queensland. They played with skill and flair throughout the tournament and impressed all that watched the games. Subsequently Keegan Nash, Yianni Sarris, Oliver Totani and Matthew Deegan were all included in the Joey's camp. Congratulations to Airton, Manager John Brannigan, trainer Joe Foley and the players on a great performance.

### Regional Coaches

The Regional coaching scheme continues to add value to our coaching programs. This year Brenton Hiern (Southern) Airton Andrioli (Eastern) Elvis Markov (Northern) and Mick Doyle and Bill Mitropoulos (Western) all worked in the clubs to ensure smooth flow of coaching information.

The Federation is committed to the growth of the game in the country areas and has development squads in Riverland, Western Border and Port Pirie. This year, after extensive negotiations, a development program is to begin in Whyalla.

In the later part of 2002 country teams have competed at the state championships, against touring Tasmanian teams and against country Victoria in Mount Gambier.

**In conclusion this has been a tremendously busy year for the department. New initiatives such as Coerver and Goalkick have meant extensive man hours and credit must go to the dedicated staff. Development Officers Chris Terpcou and Carl Maynard have done a great job in establishing the programs and have placed us in a position to push forward on a strong base.**

John Mundy is a tireless worker with a passion for our game. His work is well respected in the soccer community and amongst government departments. All these people and the staff of the Federation have combined to give us a successful year where the game has been promoted in the community and schools. Particular mention goes to Norm Graham for his support and vision of the programs.

Credit also must go to the Federation board and General Manager Tony Farrugia. The board have endorsed the introduction of the programs and will feel confident of their success in the future.

# SASI REPORT 2002

## SASI/NTC HEAD COACH - MARTYN CROOK

Last year's SASI program will go down as one of the most successful on record.

The 2002 program started in fine style when Matthew Deegan and Keegan Nash were selected for the Australian Under 16 team. They represented the Joeys in the Oceania Tournament during January, with the team winning the Final 4-0 against Vanuatu.

**Added to this, Scott Tunbridge became the twenty fourth SASI player to represent Australia when he played for the Olympic team against Colo Colo. He joined Iain Fyfe and Lucas Pantelis in the squad.**

The season ended on a high note when four players were selected in the Australian Under 16 squad. The group was selected from the National Championships and coach Ange Postecoglou held a weeklong camp in Sydney. Keegan Nash, Matthew Deegan, Yianni Sarris and Oliver Totani were the players selected. Added to this Under 16 coach Airton Andrioli worked as the assistant coach on the camp.

The squad reformed in February when they competed in the Oceania qualifiers on the Gold Coast. The under 17 World Cup will be held in Finland during August.

SASI was well represented at the National Championships with twelve players playing in the Under 16 tournament. Four players also played in the Under 15 squad.

September saw SASI win the Under 23 Championship for the fifth time. The final was played at Hindmarsh against Playford with the final result being 1-0. Matthew Gaston scored the winner. The Player of the Year award finished in a tie with Matthew Deegan and Yianni Sarris sharing the honor. Michael Daloisio won the Players Player of the Year and Shane Tobias was judged the Most Improved. John DeFrancesco was the top Goalscorer.

In July SASI took part in the Cava International Tournament in Italy. The tournament was made up of two groups in the under 17-age group. SASI were drawn with the local team Cavese, Napoli and Chievo Verona.

In the opening game we lost narrowly to the

home team Cavese, this game was played on a gravel pitch and was at 1-1 until our goalkeeper was sent off and they scored late to get a 2-1 result.

In the next game SASI produced one of its most outstanding results when we defeated the strong Napoli team 4-0. In the final game we squandered a 2-0 lead against Chievo Verona and finished with a 2-2 draw. The point was not enough to put us through to the semi finals and we bowed out of the tournament.

Verona went on to comfortably win the trophy.

Also included in the tour were games in England and Malaysia. The tour was of excellent value to all concerned and our results further enhanced the SASI reputation.

SASI was also well represented at the inaugural Festival Cup with Matthew Deegan and Adam Van Dommele taking part in the tournament. I also had the opportunity to be involved, as the assistant coach to Ange Postecoglou.

This year we continued the successful coach scholarship scheme with Mick Doyle being appointed to the position. Mick worked with the squad during the summer and then accompanied the group on the European tour. Mick was of great value and he has subsequently worked with the under 13-development squad.

Once again we thank the SASF for their support of the program. Chairman Tony Henshaw and his Board of Commissioners, especially to commissioner for juniors Norm Graham who's tireless work and vision are of great value to the program. To the General Manager of the soccer Federation Tony Farrugia and his staff for they're day to day support. Special mention goes to coaching and development administration manager John Mundy and to the SASF schools recruitment managers Chris Terpcou and Carl Maynard.

The close link between the SASF regional and state development coaches are a pivotal part of the ongoing success of the program. Airton Andrioli, Brenton Hiern and Elvis Markov are all highly accredited coaches and their work with the feeder groups is invaluable.

Many thanks go to the staff of the SASI squad. Manager John Brannigan, trainer Joe Foley, assistant coaches Noel Clarke, Glenn Dods and goalkeeper coach Chris Terpcou. The professional and dedicated way they have performed their duties has added to the success of the program.

Thanks also to the SASI organisation for their support of the program. In particular CEO Wes Battams, program manager Geof Pearce, sports science coordinator Craig Colduck and sports code operator Tim Rawlings.

Special thanks and best wishes go to Geof Pearce who is retiring from the public service to take up a position with the Sturt Football Club.

In closing, special mention goes to Chris Terpcou who after many years has left the program. Chris has taken up a position with Adelaide City and we wish him the best of luck. Chris has been a valuable asset to the program and on behalf of all the goalkeepers he has looked after, we thank him for his contribution.

## JUNIOR COMPETITIONS

PAT BOSCO – COMMISSIONER

The 2002 season has provided the SASF with new challenges, and on reflection, it has given a springboard towards 2003 and beyond. By then, hopefully, Soccer SA should be fully active providing leadership roles for the whole of soccer in South Australia.

Season 2002 saw some new initiatives being implemented and trialled, namely:

- Match Stewards (yellow coat officials in the lower age groups). I am happy to note that most Clubs accepted the concept and reaped the rewards. Junior Premier League Referees currently numbering 12 quickly filled the vacuum left by other Referee Associations, and again, the Clubs that promoted and acted upon this concept benefited. Acknowledgement should be given to Mr Petros Katsiokalis and Mr Chris King for their belief and courage in taking up this program in conjunction with the Clubs.

- The introduction of technical areas and a spectator line with the preference given for a "V" formation, again this proved extremely beneficial granting full view of the playing field for all spectators.
- The 2002 Home and Away Program got off to a reasonable start with only a few minor adjustments required. The Program accommodated for 12, 10 and 8 team leagues and acknowledges all the stakeholders that contributed to finalizing the fixtures. Congratulations to all Cup and League winners. Playing the Cup Finals at Hindmarsh Stadium was a delight for all participants and this event will be remembered by everyone.
- Another success story was the Sub-Junior Programs that commenced sometime after the Home and Away Fixtures. I am aware that most of the players will be participating in the higher age groups in 2003. The "Goal Kick" Centres

Action from the Junior Championships at Para Hills

were a handful for certain Clubs and much was learnt to make the Centres easier to manage for 2003.

The SASF received a decline in discipline hearings this season and therefore we must assume that our clients are "getting the message" and that this game is changing for the better. I trust this trend continues in years to come.

The State Junior Championships were held at the end of the season at the Para Hills Soccer Club who should be congratulated for providing an excellent infrastructure. The Championship was superbly coordinated by Mr Bryan Hearn and ably assisted by the JPL Committee and the Championship Working Party. The Championship was further enhanced by the professionalism of team officials, coaches, managers, referees, trainers and special development coaches. In particular, it must be noted that the

skills displayed by all teams including the country and women's teams were of a high standard. As a result, there were a number of players selected to join the State Development Squad.

I wish to acknowledge the contribution made to the Junior Premier League by my predecessor, Mr Keith Puyenbroek, and the JPL Committee for their tireless work throughout the year, ably led by Mr John Russo and special thanks to Mr Ryan Peremiczko for his continuous and professional work towards all junior events.

The season concluded when the Junior Premier League stake holders attended a workshop convened on the 24th November 2002 where all clubs were invited to explore their potential for development and changes that will be required to meet Soccer SA's standards and obligations.

## JUNIOR DEVELOPMENT

**NORMAN GRAHAM – COMMISSIONER**

We approached Season 2002 with an understanding and intent to perform better in all aspects of our activities. We began the year with the very positive appointments of two full time Development Officers, Chris Terpcou and Carl Maynard whose duties were to promote and build awareness of our game throughout the schools. This was a huge task but one they have pursued enthusiastically and with some degree of success. This initiative is now in a great position to expand, particularly after the tremendous amount of ground work, which has been put into the project.

The "Coerver Coaching" programme continues to go from strength to strength, culminating in the

setting up of three academy squads. This is in addition to the numerous courses attended by our younger players throughout the season. This programme appears only limited by the availability of suitably qualified coaches.

Our Development Squads maintained their improvement from last season with the U/13 Squad once again having a successful tour to Tasmania, and they also performed very well when the Tasmanian U/14 State Development visited South Australia. The U/16 Development Squad had excellent results in the three tournaments they were involved in namely the U/14 Friendly Games in Sydney, the visit of the Tasmanian Development Squad and the Tri/State Tournament held in Mount Gambier. The Tri/State Tournament involved South Australia Country, Victoria, Victoria Country and South Australia Metropolitan in both U/13 and U/14 age groups.

To put further icing on the cake our flagship state teams at U/15 and U/16 level performed magnificently in the National ITC Championships to reach the Grand Final of their respective groups, unfortunately we finished runners up in each group, however we should all feel proud of our young players in achieving these results.

At the top of our Development Tree the SASI Squad were league champions of the U/23 Premier League.

The squad also made a three country tour visiting England, Italy and Malaysia. Needless to say these players were great ambassadors for South Australia both on and off the field, verified by invitations from several bodies for our teams to take part in tournaments overseas.

At a personal level I would like to convey my thanks to the staff at the Federation in particular the coaching and development staff headed by Martyn Crook and John Mundy, Umbro Sponsor Bill Johnson, Wes Battams and staff from SASI and Jim Selby and Ange Postacoglou of Soccer Australia for their support of our programmes during the year.

## FESTIVAL CUP 2002

FESTIVAL  
The 2002 CUP

A successful 8 team tournament was held at Hindmarsh Stadium during August.

Participating teams were Ajax, Bayern Munchen, Juventus, Newcastle United, Glasgow Rangers, Vasco da Gama, Shandong Luneng and Australs.

Broad media coverage was gained on local and national television, Adelaide Advertiser, Messenger Press, metro and national radio, and specialty soccer press.

The tournament received exposure on Newcastle, Juventus and Shandong Luneng websites.

Rangers and Australs played off in the final with Rangers winning a penalty shoot-out.

8 local area schools hosted tournament teams and received training equipment used by the teams.

Over 20,000 spectators attended the tournament. The corporate hospitality facilities were well utilised.

In 2003 an 8-team tournament will once again be

held at Hindmarsh Stadium and regional areas. It will be an Under 20 tournament.

Currently we are sourcing participating teams from - Manchester United, West Ham, Arsenal, Liverpool, Newcastle United, Bayer Leverkusen, Borussia Dortmund, Juventus, AS Roma, Barcelona, River Plate, Glasgow Rangers, Panathinaikos, Hajduk Split, Cosco (China) and Australs.

Some games will be played in major regional centres, the Riverland, Berri and in the Upper Spencer Gulf, Whyalla, the Victorian Border area, Mt Gambier and Pt. Lincoln.

The Oceania Football Confederation's Conference will be held during the Festival Cup tournament.

A Masters Cup (for over 35's) will also be conducted during Festival Cup tournament.

We are targeting a national broadcaster such as FoxSport, Seven Network and are also seeking international television distribution to China and Europe (CCTV, StarTV, ESPN Asia, Eurovision).

## SA STATE TEAM

### UNDEFEATED IN INTERSTATE GAMES

The S.A. State team played seven games in 2002, two of which were against Japanese J-League teams and five against interstate opposition in the Fasta Pasta Centennial Challenge.

The State opponents in 2002 were:

Consadole Sapporo  
Verdy Tokyo 1969  
Western Australia  
New South Wales  
Queensland  
A.C.T.  
Victoria

The South Australian Officials for those games were:

Coach: Mike Barnett  
Asst Coach: Jim Karabatsos  
Team Manager: Denis Harlow  
Asst Team Manager: Alan Horsfall  
Trainer: Peter Duke  
Gear Manager: Joe Janko  
Team Doctor: Tom Mittiga

The Commissioner for State Teams was the Vice-Chairman of the S.A.S.F. Arthur DiFede.

Considering that the State players are never at full match fitness when they play against the Japanese

Michael Brooks (left), Captain of South Australia, exchanging gifts with the Captain of Western Australia before the interstate game in March 2002

J-League teams, their performances were very commendable and the games were extremely beneficial as a lead up to the interstate games which were to follow.

Both games were played at Hindmarsh Stadium with evening kick-offs and although the scoreline in the games didn't favour South Australia the games were of a very high standard and played at a frightening pace with South Australia having opportunities to score but unable to put the finishing touches to its moves.

The interstate games in the Centennial Challenge were all absolute Gems with South Australia coming out of all games undefeated and earning the tag of unofficial Australian Champions.

The first interstate game against Western Australia in March got off to a great start with a very high quality game that ended 0-0, thanks mainly to the Western Australian goalkeeper who put up a magnificent performance. Both sides had chances to score but after the first 15 minutes South Australia dominated the game for long periods without being able to score.

The second game against New South Wales was one that N.S.W. expected to win, but the South Australian players had different ideas and ended up winning the game 2-1.

Captain Michael Brooks scored the first goal from a penalty after Jason Trimboli was brought down in the penalty area. Jason had been causing havoc in the N.S.W. defence all night and it was no surprise when he took off down the left side and once again took on the N.S.W. defence. He bided his time and eventually crossed the ball perfectly for the incoming Corey Artone to score a great goal. N.S.W. scored a consolation goal in extra time.

The following game against Queensland, on the long week-end in June, was a danger game for South Australia but Aaron Westervelt completely dominated the midfield with Daniel Menechella and the South Australian defence breaking down everything that Queensland could throw at them. Once again Captain Michael Brooks was on the score sheet along with George Tsonis with South Australia winning the game 2-0.

For the game against the A.C.T. in July, Jim Karabatsos took over the coaching reins as Mike Barnett was overseas. The game itself was an absolute cracker as far as the South Australian Supporters were concerned, with South Australia winning the game 4-1.

The Adelaide Blue Eagles trio of Michael Brooks, Corey Artone and Frank Sergi had the crowd buzzing right from the start with Frank ripping the A.C.T. defence to shreds almost at will. In fact some unbiased observers rated Frank's performance as one of the best seen at Hindmarsh Stadium for years, and Frank topped off the performance by scoring one of South Australia's goals.

Not to be outdone, Corey Artone also scored one of the best goals seen for a while when he took on half the A.C.T. team in a solo run before blasting the ball past the A.C.T. keeper. Aaron Westervelt once again played his part in dominating procedures in midfield with many deft touches and through balls to his forwards, with Captain (Golden Boots) Brooks stamping his authority with another two goals for the State.

The final game against Victoria was expected to be tough and it was right from the start. Victoria were on top for long periods and eventually grabbed the lead two minutes before half time with a free kick which went around the South Australian defensive wall.

Late in the second half Corey Artone was brought on and within a short space of time he equalised for South Australia with a classic goal in the 76th minute. The character of the South Australian players to come back strongly in the second half was exemplary.

#### Law Amendments for 2002 - 3

The International Football Association Board [IFAB] meets early each year to discuss changes to the Laws of the Game. Minor amendments were passed in March 2002 and are now in use in Australia.

In summary the changes are:

- Any advertising worn by players must be restricted to the jersey. If a player removes the jersey no garment worn underneath the jersey is permitted to carry any slogans or advertising. If it does it is the responsibility of the Association conducting the competition to take action against the player. [Law 4]
- Any player who has left the field of play to have an injury treated may only return to the field after the game has restarted, and with the permission of the referee. [Law 5]
- The IFAB noted that there are four, not five, offences that can be committed by a goal keeper that would result in the award of an indirect free kick. This is a correction to the previous edition. [Law 12]
- Additional Instructions to match officials now become part of the Law Book.

The IFAB also agreed at its meeting that:

- Simulation by players was of increasing concern [eg. pretending to be tripped]. Referees are required to deal with such cases and caution players as appropriate.
- Referees have also been instructed to ensure that players do not delay the restart of play. The experiment conducted last season in some competitions where the ball was moved 9.15 metres closer to the offenders' goal is being continued in selected competitions during the Northern 2002 - 3 season and does not apply to Australia.
- Associations are to be reminded that the use of a temporary send off [sin bin] is strictly forbidden.
- Referees should be reminded that players are not allowed to use time wasting tactics when celebrating a goal.

### International & National Scene

SA members are justifiably proud of their two FIFA Assistant Referees. Airlie Keen was in great demand during 2002 for National, Oceania and FIFA tournaments. Airlie officiated at the Australian Womens Championships in Coffs Harbour, at the Australia Cup [Australia v South Korea], and at the FIFA - Oceania Under 19 Women's World Cup Qualifying tournament in Tonga. This hectic schedule culminated in being appointed to the FIFA Women's Under 19 World Cup Finals held in Canada.

After his World Cup Qualifying appointment late last year Matthew Cream is officiating at the FIFA Under 19 World Cup Qualifying games in Fiji. Both Airlie and Matthew have been renominated for the 2003 FIFA Assistant Referee Panels by Soccer Australia. We eagerly await confirmation of their continuing International status.

On the National scene Craig Zetter [Referee] and Matthew Cream, Sam Hasic, Paul Cetrangolo and Craig Dunkin [Assistant Referees] officiated with distinction on the 2001-2 National Soccer League. Craig Zetter received a Final Series appointment and Matthew Cream was shortlisted for the Australian Assistant Referee of the Year award. The same five officials are currently officiating in the 2002-3 NSL.

Hopefully the current woes besetting Soccer Australia will soon be resolved. We look forward to the appointment of a full time National Referee Coach and to greater harmony and stability in the administration and coaching of referees throughout Australia.

### South Australian Referee Branches

Although the Federation Branch provides the bulk of match officials for SASF and associated competitions there are other very active Branches in the State. We welcomed an Adelaide Hills Junior Soccer Association Branch to our fold in 2002. This Branch has had a very successful first season. It has already secured enough qualified referees to ensure that all of its fixtures have a qualified referee. This Branch joins the two other Branches [Elizabeth & Districts; SRA Noarlunga] in servicing the needs of Junior Associations in their respective areas.

The SA Amateur Referees Association experienced a drop in membership during the season, but on a positive note introduced voluntary training for its members, a very professional move.

### Federation Branch

Membership numbers in 2002 were relatively stable.

Although approximately 15 members did not renew their membership a substantial influx of young women and men joined the Branch. They are the future of the code and with support from all sectors of the game should provide a rich and exciting source of quality officials.

### Festival Cup

For many members the highlight of their year was their participation in the inaugural Festival Cup. This quality international Under 19 tournament produced sparkling and entertaining soccer at Hindmarsh during August. The organisers are to be congratulated for bringing such outstanding soccer to Adelaide. I am delighted to note that our match officials excelled, raising their performance levels many notches to match the challenge of international soccer. We look forward to participating in future tournaments.

### SA Women's Soccer Association Referee Scholarships

The SAWSA awarded 6 x \$300 scholarships to newly qualified women officials at the beginning of 2002. This excellent scheme, unique in Australia, has the potential to produce many top class match officials as well as expand the Federation Branch membership base. Congratulations to the SAWSA for their positive actions to recruit new officials and meet some of the code's demands for qualified officials. The group [Lee Corey, Amelia Darby, Karen Moss, Susan Pearce, Lauren Travan and Nicole Wagner] has developed skills very rapidly. At least four of the group received appointments to the Women's NSL Adelaide Sensation home games at the end of 2002, a remarkable achievement in such a short time frame.

Despite some difficulties at the National level 2002 has been a very positive season. We look forward with optimism to the 2003 season. Support for the professional development and treatment of all match officials from all elements of the game is welcomed.

Finally, a special thank you to John Tarling who carried out the role as Acting State Coach during my recent absence with style and professionalism.

### REFEREES RECRUITMENT AND DEVELOPMENT Referees Recruitment & Development Officer - Chris King

Year 2002 got off to a flying start with the formation of a new Branch of Referees for the

Adelaide Hills Junior Soccer Association and the development of trained and accredited Club people to officiate in the Junior Premier League. The South Australian Women's Soccer Association (SAWSA) referee scholarship scheme commenced with 6 young women who officiated with the Federation Branch of the ASRF (SA) during 2002.

Although eighty nine (89) people successfully completed a Referee Introductory course during 2002, it was lower than 2001 when one hundred and twenty six (126) participated. Refereeing did however get a better return of members in 2002 with fifty eight (58) joining the metropolitan & regional branches compared to only forty (40) joining the ranks in 2001 out of the one hundred and twenty six (126) who participated. Thirteen courses were conducted with three cancelled due to a lack of numbers and various other reasons. The use of the South Australian Soccer Federation (SASF) website brought about a lot of interest in becoming a referee.

One regional visit was undertaken during 2002, when the State Coach and I visited Whyalla and conducted examinations for two new referees and completed two upgrading inspections. No other invitations for visits in 2002 were received from regional areas.

An Inspectors Course was again conducted in 2002 with four participants. No other courses or programs were conducted during the year.

During the latter part of the season I took the

opportunity to visit all Junior Associations to watch qualified referees officiate at Finals. It was very pleasing to watch new referees operating at each of the Associations and even more pleasing to see six of the Junior Premier League Referees officiating in Finals at Hindmarsh Stadium. I congratulate the JPL Management Committee for taking this very positive step not just for the JPL but also for refereeing.

The South Australian Women's Soccer Association must be congratulated for the outstanding contribution it has made this year with the introduction of its very successful referees scholarship scheme. Other Women's Associations across the country are looking at or are now implementing similar schemes. The young ladies who took on the scholarships served refereeing with distinction and some will continue to blaze the trail in the future, and I offer my thanks and congratulations to all concerned in this highly successful scheme. The real success of the initiative will be judged by people in the years to come as it continues to grow.

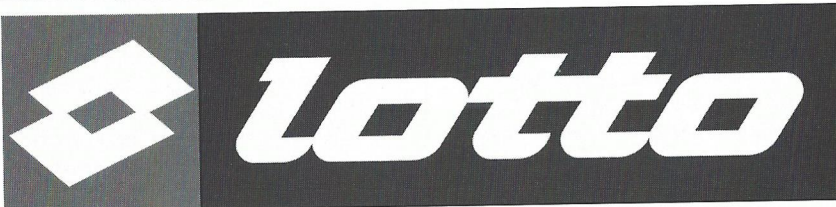

The October long weekend was again a great success for refereeing with all five metropolitan Branches plus three JPL referees taking to the Paddocks to officiate in the Zone Championships. I would like to take this opportunity to thank the referees who took part for their support and to the Coaches and Inspectors who came along to provide some feedback to the referees. My congratulations also go to the Organising Committee, for staging such an excellent and successful tournament.

## FUTSAL SA

### FUTSAL – The FIFA 5-A-SIDE Indoor Soccer Game ARTHUR DIFEDE (SASF VICE-CHAIRMAN) – COMMISSIONER FOR FUTSAL

2002 was another successful year for the Futsal SA Committee when in the summer months another successful Junior Futsal Competition was held at the new venue Campbelltown Leisure Centre (Ex-St. Bernards) on Saturdays from 9.00am till 7.00pm. That's 10 hours of constant futsal matches on three Courts every half an hour.

This Futsal competition attracted over 500 players, most of them representing their North Eastern School and Soccer teams. Some teams and players even came from the Northern areas to experience the high level of competition this game has to offer in South Australia from the ages of 9 to 17 years of age.

The 21st of December saw the climax of this competition with 13 Grand Finals being played and every game was as exciting as the next one. The odd goal or two won all matches, so you can imagine the atmosphere, the excitement, the skill and the spirit these matches were played in.

Futsal SA Development Officers Tony LaScala, Rob Pepicelli and Ray Grima were very satisfied with the way all players, coaches and parents have contributed positively to this exciting game of Futsal last season and already are looking to organising a winter competition, thus giving all players the opportunity to further develop their skills and enjoy the game of Futsal all year round and not just in the off season.

In January 2003, two representative teams consisting of Under 13 and U16 flew out to the 2000 Olympic Indoor Stadiums in Homebush in New South Wales to compete and participate at the 24th National Futsal Championships. Prior to departing for the championships coaches Tony LaScala, Greg Kalinovic, Ray Grima and Rob Pepicelli were confident that both teams would do well and that it would be a good experience for the boys to play against the dominating Futsal States of NSW, ACT, QLD and Victoria.

Last year's Under 12 Futsal State Champions won the Under 13 Futsal Grand Final defeating both ACT Gold in the Semi Final 4 – 2 and then winning the Grand Final 3 – 0 against ACT Blue. Congratulations to all the players and coaches on another excellent performance, winning back to back championships.

The under 16 team were given another chance to

prove themselves and there was 100% improvement on last year going out in the quarter finals. Captain Adrian Simeone and Joseph Giufreda both returning from a Futsal tour in Brazil have a new passion for the game and the new players in the team performed well. With a bit more

development South Australia will eventually have a well-drilled Open Men's Futsal National League team in the near future.

There was a good recruitment of new referees to the Futsal Competition from the SA Referees Federation Branch, the Amateur League Referees Association and the Elizabeth and Districts Referees Associations to officiate at all the matches and all were a credit to their respective Association in the professionalism and positive attitude they displayed, making the competition a successful one.

Seven of these referees made the trip to Sydney to officiate at the National Championships. New comers Giancarlo Zumbo, Geoff Murch and Enrico Losapio experienced the Championships for the first time. They accompanied Tops Miletic, Ray Grima, John Greco and Anthony Greco who have all been there on a number of occasions.

There was a new life added to the Magill University Senior Competition last season. Three new teams joined the already strong competition and it was anyone's guess which teams will be making the Grand Final.

In the end two of the teams made the Top 5 Grand Final with Series A running out winners defeating Team SBS 4-2 and North Adelaide All Stars were too good for the Outlaws in the Consolation Grand Final.

Futsal SA will be looking to start competitions in all areas of the Metropolitan area in the near future by holding futsal clinics at all Primary and Secondary School and also by contacting all soccer clubs, so if you haven't as yet been contacted and would like to be involved in this growing sport you may contact Development Officers:

# SA WOMEN'S SOCCER ASSOC.

BEV O'BRIEN - PRESIDENT

In my previous report I indicated that SAWSA's objectives for 2002 would centre on - increasing participation and retention of players within our clubs; developing new opportunities for women and girls to participate in our sport; and making our home ground a reality. I'm pleased to report that over the past year we have made good progress on all three fronts.

The numbers of women and girls playing soccer, both within and outside of SAWSA continues to grow steadily. There are still many untapped opportunities in this area. The employment of a part-time Recruitment and Development Officer in 2002 was an important step in not only expanding the numbers of coaching clinics offered in schools, but also forming better links between schools and local clubs, and assisting players to make this transition. It is particularly pleasing to note the numbers of clubs who are committing themselves to providing more opportunities for junior players. Finding ways to retain our older, experienced players, either as players or in other roles, is equally important. It has also been pleasing to note the numbers of scholarship coach applicants who are players with many years of experience, wanting to give something back to the sport. Sarah Barker, a scholarship coach in 2001 and our 'volunteer of the year' is one such example of these people.

In 2002 SAWSA continued to offer player, coaching sports trainer and refereeing scholarships in an attempt to encourage and promote women's participation in all aspects of the sport. This will hopefully assist our clubs to have greater access to qualified people. Our Institute program, National League and participation in National Championships or the World Masters Games continue to offer opportunities for women and girls to participate at the elite level and we look set to be able to offer an increased range of league competitions and carnivals in 2003.

In 2002 the SAWSA Board released a discussion paper regarding the restructuring of our leagues and competitions. I have appreciated the efforts of our clubs and members in responding to this and

actively participating in the various consultations. I am confident that the changes that the board have endorsed for 2003 will both create and strengthen opportunities for women and girls, of all ages and abilities to participate in soccer.

Achieving these first two goals relies in part on having an efficient and effective administrative base for the sport, keeping the sport affordable, and having strong forward thinking clubs. In 2002 the staff and Board worked hard to overhaul and update our constitution, to develop and formalise a range of policies and to look for efficiencies in our administration - allowing us to plough as many of our resources as possible into development and our home ground. Keeping our sport affordable is an important part of our growth. Increasing insurance costs have made this more difficult. However costs of participating in sport is an area that both our Association and club committees will need to be mindful of in 2003.

Having an Association home ground is also an important key in achieving the previous two goals. This venue will provide an adequate, permanent base for our state teams as well as allowing us to expand the range and format of competitions and carnivals offered. In 2001 SAWSA formed a partnership with Annesley College for the shared use of Park 21. In 2002 we successfully applied for a grant from the Adelaide City Council toward the cost of lighting of the pitches. We are hopeful that these grounds will be ready to be utilised during the 2003 season.

During 2002 SAWSA has worked with the South Australian Soccer Federation, South Australian Amateur League and Junior Associations to form a new governing body for the sport in South Australia. In September a Memorandum of Understanding was signed by all four parties for the creation of Soccer SA. I am confident that this unified body will present new opportunities for the marketing, promotion and development of women's soccer.

There are many individuals and organisations whose assistance has been important over the past year. My particular thanks go to:

- The SA Soccer Federation Commissioners, General Manager and staff who formally and informally support our mission in a variety of ways. A special mention must be made of the coaching staff who have worked hard to integrate school and other clinic activities for both girls and boys.
- The Office of Recreation and Sport for their continued investment in women's soccer.
- Our volunteer State Team coaches, managers and trainers and others who assisted with clinics and carnivals. Your time, effort, skills and commitment are greatly appreciated.
- The SAWSA Board, who give generously of their time and energy to govern and develop the sport - and who I have enjoyed a productive working relationship with over the past year.
- Wendy Carter, Executive Officer, and Lia Augimeri, Recruitment and Development Officer. An organization could not ask for more committed and hard working staff. A special thanks also to Laura Mazzone, who stepped in at short notice to fulfil our school clinic obligations after Lia's unfortunate injury during the season.
- Our club representatives and members, who give so freely of their time, effort and enthusiasm toward the (often thankless) tasks associated with running a club.

2003 will mark the end of my term as President. In this year I look forward to working with our clubs and stakeholders toward the goals set out in our strategic plan and to ensuring that soccer for women in South Australia continues to grow from strength to strength.

## SA WOMEN'S SOCCER REPORT

WENDY CARTER - EXECUTIVE OFFICER

It seems inconceivable that 2002 has passed us by and that we are yet again preparing for a new season. 2002 has been one of SAWSA's busiest years and one that will assist women's soccer to consolidate and enhance for future years.

In 2002 although we did not have the grandstand finish of 2001, we were privileged to see many of our elite players return to the SAWSA leagues and play at club level. The return of these players accompanied by the import of some overseas players, ensured that the standard of the Premier Division League in 2002 was enhanced. This was especially illustrated in the Bailetti Cup, who could forget the semi-final game played between Fulham United and Adelaide City? The commitment, passion and determination displayed in this game would have stirred the emotions of any sports fan let alone a supporter of women's soccer.

I would like to congratulate all of the players and officials who have been involved in our leagues in 2002. I hope that regardless of whether your team was successful in winning or not that the achievements that you have gained from your involvement in women's soccer will ensure that you return to the sport in 2003.

During 2002 SAWSA undertook a number of programs and activities that complimented the objectives of the SAWSA 2001-2003 Strategic Plan. A major objective of SAWSA has been to increase the number of women involved in other areas of the sport, this has been undertaken through the continuation of the scholarship programs which aim to provide financial assistance predominantly to women to become qualified coaches, referees and sports trainers. Through these programs, six women, Lee Corey, Amelia Darby, Karen Moss, Susan Pearce, Lauren Traven and Nicole Wagner, have become qualified referees and have refereed at various levels of the sport. Six Sports Trainer Scholarships have been provided to Megan Ciesluk, Elizabeth Ferris, Joanne Izzo, Nerissa Morley, Max Primaro and Kellie Stephenson and six Coaching Scholarships to Franca DiBartolo, Mary Fabris, Alison Hill, Tara Morgan, Joanne Posgate and Zara Scholz. It is envisaged that through these programs the number and quality of female coaches, referees and sports trainers

involved in women's soccer will increase. These programs have highlighted the opportunities that exist for women to participate in soccer other than playing.

Many of the programs outlined in the Strategic Plan are reliant on the attainment of a home ground. During 2002 SAWSA worked very closely with Annesley College to achieve this outcome. Although at times this has been a frustrating process with many hurdles to overcome, an agreement has been established between SAWSA and Annesley College that will see the development of a home ground with three soccer pitches. This agreement has been further supported by the Adelaide City Council who have provided a grant of \$20,000.00 for the purpose of upgrading the soccer fields and the installation of lighting. It is anticipated that work on the home ground will commence early in the new year and may be available for the 2003 season.

Another major initiative of SAWSA's in 2002 has been to develop resources that will assist the association to attract sponsors to our game. Currently SAWSA relies solely on government grants and membership fees to generate income for the association. In the future, in particular with government grants, this income will not sustain the sport. Consequently SAWSA have developed sponsorship packages that will provide sponsors with the opportunities and benefits of becoming involved in the many areas of women soccer. These packages were dispersed to potential sponsors at the commencement of the new year.

During 2002 SAWSA undertook a number of activities that were key components of the SAWSA 2001-2003 Strategic Plan, however the SAWSA Board acknowledged that a review of the playing and participation programs outlined in this plan was needed to ensure that they were suitable to the future development and direction of women's soccer. Consequently SAWSA embarked on an extensive consultation process involving coaches, club officials, players and supporters of women's soccer.

This process provided SAWSA with vital information and feedback to assist in implementing league structures for the 2003-2004 seasons.

The most exciting aspect of this re-structuring is the introduction of new junior leagues. As of 2003, clubs now have the opportunity to field teams in a 16 and Under League, 13 and Under League and 10 and Under League. These changes now enable girls as young as 8 years of age to participate in soccer.

These changes illustrate the commitment of the SAWSA clubs to the future development of our sport. Clubs are increasingly acknowledging that the key to creating a strong and viable sport relies on the continual development of younger players. Furthermore, one of the hurdles that continues to face all sporting organisations is the recruitment of volunteers. Clubs that concentrate on the recruitment and development of younger players are also experiencing an increase in the number of volunteers due to the increase in parent participation.

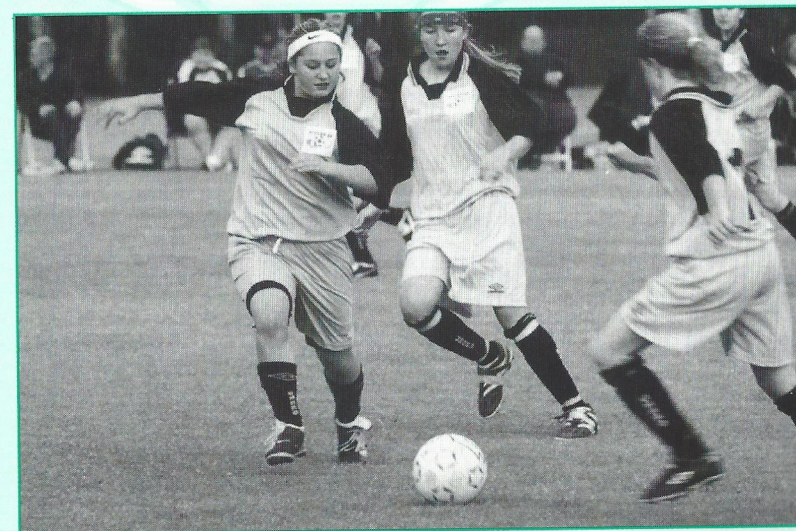

At the end of 2001 I reported that our sport was experiencing a period of stagnation, the number of players that registered in 2002 and again the withdrawal of teams during this season would support this trend. However the changes that have been implemented for 2003 seem to have produced an air of confidence around the sport with clubs already reporting greater numbers of junior players attending clubs.

Another positive outcome of 2002 has been the formulation of Soccer SA. Soccer SA brings together the four main associations responsible for

conducting soccer in SA, the South Australian Amateur Soccer Assoc, the South Australian Junior Soccer Assoc, the South Australian Soccer Federation and SAWSA. Although there are still many more hurdles and discussions to be held, the process of bringing soccer together in South Australia has commenced and in time it will hopefully bring this great sport of ours together.

Finally, as we head towards a new season it would be remiss of me not to acknowledge the work undertaken by our clubs. At times we all take things for granted, who marks out the pitches, who puts up the goal nets, who washes the strips, who arranges the fundraising events, and so on. These things do not just occur, many people are responsible for ensuring that SAWSA can conduct a competition and to all of these people your support and work is very much appreciated.

I still have the belief that soccer can become a sport that will rival netball in the years to come. However I think we all need to take stock of what we have achieved to date and continue to be positive, passionate and committed to what we can achieve in the future. In 2003 SAWSA will celebrate 25 years of development, it is the responsibility of everyone involved in soccer today and in the future to ensure that over the next 25 years we continue to develop this sport to the level that we all know it is capable of reaching.

## 2002 SUMMER NIGHT SERIES

With the introduction of the *Summer Night Series* in 2001 a new tradition was born out of necessity. With the original series used as a guide, it was decided to scale back the competition in 2002. From the home and away format of 2001 where in the group stage teams played each other twice, the group stage in 2002 was reduced to a single round.

The 2002 *Summer Night Series* commenced on Saturday the 19th of January and concluded with the Final on Saturday the 2nd of March. The Series was open to all Federation clubs, but only 20 teams participated.

The 20 teams who nominated were placed into 5 groups of 4 teams, they played each other once in the preliminary rounds, with the top team from each group plus the best three second placed teams joining them in the knock-out quarter final stage.

The winners of the Quarterfinals went into the Semi-Finals. The Semi-Final winners played off in the Summer Night Series Final on Saturday March 2nd at the Hindmarsh Stadium.

In the Preliminary round some scores raised a few eye brows, especially in the round 1 Group D match, when Enfield City from the State League defeated long standing Premier League club Campbelltown City 4-1 in what was to become an omen for the 'Red Devils' as their 2002 season didn't get off to a good start. State League club Croydon Kings, also had a good win over a Premier League heavy weight in Modbury, the score was only 1-0 but the manner in which they completely dominated the game, indicated a good year ahead for the 'Kings'. The reigning *Summer Night Series* Champions Adelaide Galaxy got off on the right foot when they took the Cobras to the cleaners to the tune of 9-1. Other big winner were Group D's Western Strikers, 5-1 winners over the lowly Panthers and Adelaide City who beat White City in Group B 5-2.

Round 2 went according to plan in all groups except Group A, where the Cobras bounced back from the round 1 thrashing to hold the 2001 Premiers Blue Eagles to a goal-less draw. In Group B traditional rivals White City and Raiders battled out a tremendous 1-1 draw while Adelaide City clinched a Quarter Final spot with a 1 nil win over the 'Hills Hawks'. Campbelltown City in Group D also returned to form with a 5-0 win over the young and spirited Panthers.

Round 3 Group A match between Galaxy and Blue Eagles turned into a dower struggle with the Champions holding out the Premiers in a very entertaining match. Adelaide City produced their best form when they took the Raiders apart 5-0 to finish top of their group.

The Quarter Finals saw the Champions Adelaide Galaxy stamp their authority on the tournament with an emphatic 7nil win over the luckless Croydon Kings, while Adelaide City went quietly about their business in defeating the Playford Patriots 3-0. Enfield City's attempt at winning their first piece of silverware in nearly 33 years came unstuck at the hands of their group rivals Campbelltown City, unfortunately for the Falcons they couldn't reproduce the round 1 form when they rolled the 'Red Devils' 4-1. MetroStars the Group E winners were easy 3-0 winners over the Adelaide Olympic team.

Semi-Final time and the matches were a lot closer with Galaxy edging out MetroStars by the narrowest of margins 1-0 and in an Eastern derby Campbelltown City, who had started the tournament off so poorly now won their way into the final with a commanding 2-1 win over arch rivals Adelaide City.

The 3rd and 4th play off saw another Eastern Derby with the Metro Stars finishing off the gallant young Adelaide City boys 2-1. The final saw a big win for the reigning Champions Adelaide Galaxy, the 6-1 score line definitely made a statement for all of the other Premier League clubs to consider.

# SMOKE FREE PREMIER LEAGUE 2002

VAL MIGLIACCIO

While Brazil won the World Cup for the fifth time against an ordinary Germany in June our local premier league heroes battled through another season of fascinating premier league football.

While Adelaide Galaxy attracted all the headlines, Raiders recruited well under coach Michael Petrillo, but were discounted as early premiership contenders despite leading the table after 6 rounds.

But round 7 saw Raiders plummet to 4th place after crashing to Playford 0-1 at Ramsey Park.

Raiders continued to hover in the top 5 and never looked like going all the way, but Raiders and Petrillo had other plans in September.

During the club's 50th anniversary celebration Raiders did the impossible and won the premier league championship for the first time since 1997 after coming from a shaky 4th place during the minor round.

In the elimination final, Raiders scraped through to the first semi final by knocking out Playford City 1-0, while MetroStars were dealt a savage soccer lesson in a 0-6 hiding by Blue Eagles in the qualifying final.

Raiders took full advantage of MetroStars shock Blue Eagles thumping and won the first semi-final 2-1 a week later, ending MetroStars' premiership hopes.

A huge chequebook bolstered Galaxy, and, with seasoned veteran Milan Ivanovic in charge appeared to be heading for a premiership season.

Galaxy's squad was a who's who of the premier league and in round 1 they thrashed Adelaide City 6-0, while reigning premier Blue Eagles struggled to a 2-2 draw with the vastly improved Playford City.

After convincingly winning the summer night series grand final and taking all premier league clubs before them without any fuss, Galaxy's reign

started to crack in round 3 with MetroStars winning 3-1 at Hindmarsh Stadium.

Campbelltown City appeared to be dropping its bundle after a relatively successful summer night series, which saw them make the grand final before being pumped 1-6 by a ruthless Galaxy.

The Red Devils got off to a miserable start and never recovered.

No doubt the Red Devils have suffered the loss of a mass player exodus before the start of the 2002 season, with the club losing its entire backbone including the three Menechella brothers.

Blue Eagles beat minor premier Galaxy 2-1 with a burst of brilliant five-minute soccer, which saw the Blues qualify for its third grand final in succession.

The preliminary final was expected to go Galaxy's way, but Raiders were defiant and dealt the Camden club a sorry blow with a convincing 2-0 win at Hindmarsh Stadium.

Grand Final night was another extravaganza with an estimated 7500 spectators waiting to see who would be crowned 2002 premiers.

The Blue Eagles were tipped to make it three in a row, especially with the news leaking through that the league's most successful coach Zoran Karadzic could vacate the coaching position.

Raiders, however, took full advantage of the underdog tag and despite the Blue Eagles drawing level through the effervescent Michael Brooks, Raiders persisted and eventually wore the outgoing premier to the ground and won the grand final 2-1.

Petrillo and his charges were elated with the victory and celebrated long into the early hours of Saturday morning, with his opening line to Radio 5RTI's post grand final mortem being "I'm too old for this sort of stuff (the celebrating)".

## RESUME OF PREMIER LEAGUE CLUBS - 2002

**Raiders (Champions)** – Coach Michael Petrillo assembled a squad of great individuals, which gelled into a superb unit by winning the championship. Despite losing its best attacker Sean Widera with a serious knee injury, Raiders demonstrated enormous character to take out the major prize. Raiders still managed to bolster its squad with a wealth of talent at its disposal for the 2003 season.

**Blue Eagles (runner up)** – Coach Zoran Karadzic called it a day after the grand final and the Blue Eagles have been rocked with many of its finest players moving on. After contemplating retirement Michael Brooks, by far the league's most potent

striker has decided to test his coaching skills by taking the helm at Para Hills. Chief playmaker Corey Artone has moved to MetroStars and it's hoped the skilful midfielder can overcome an injury plagued 2002 season.

**Galaxy (third)** – Despite winning the Federation Cup, the summer night series and the minor premiership by a massive 6 points it still wasn't enough for the club's administration who decided to look for another coach to replace Milan Ivanovic. Ironically Ivanovic found out his job was in jeopardy through a newspaper advertisement which called for new coaching staff. Ivanovic was however humble, "That's the way it goes," he said.

**MetroStars (fourth)** – Coach Mario Boffa was another victim of the play offs campaign after he and the club parted ways following its exit in the first semi-final. Boffa had done extremely well by taking the club from the depths of state league soccer a few years ago to making the top 6, a goal he set out to achieve once the club was in the premiership.

**Playford City (fifth)** – Playford City at times displayed leadership qualities but inconsistency kept the club out of the premiership race in spite of finishing fifth on the ladder. Playford has appointed veteran keeper David Miller as its new coach after the departure of Alby Kidd, who heads Galaxy in 2003.

**Adelaide Olympic (sixth)** – Olympic finished only two points out of the top 5 and had a much better season than 2002. Olympic demonstrated capable qualities of finishing high amongst the league's best and its obvious that if the club can keep its nucleus together, success might just be around the corner.

**Modbury Jets (seventh)** – Jets coach Duane Gray worked his club out of the relegation zone with some tough performances against the odds. With Gray's budget dramatically slashed, the Jets worked on its super youth system and valuable team spirit to hold it all together.

**White City Woodville (eighth)** – Brad Armour proved that he was regarded as the states most valuable player by winning his second Serge Melta medal since 1992, but it wasn't enough for the Warriors push for a finals berth. Coach Rocky Aloisi has been reappointed for the 2003 season and he hopes to assemble a side, which is capable of making the top 5.

**Para Hills Knights (ninth)** – Drama hit the Knights after round 4 when dual coaches Greg Mills and Noel Clarke left the club after the budget was

slashed to accommodate a better end of year financial report. Key players soon followed the coaching departure and it was left up to the surprise appointment of Maurice Natale to save the Knights from capitulation. Natale's coolness earned the Knights another season in the premier league. Michael Brooks, however, will lead the club from the bench and whether he will be an active player in 2003 is yet to be seen.

**Adelaide City (tenth)** – The youngsters of Adelaide City produced at times stunning soccer, but physically they came unstuck against the league's powerhouses. City will always be a feeder to its NSL sister Force and with most of the clubs players on call for the NSL they will struggle to make their way up the table. City coach Neville Flounders has mysteriously ended his reign in charge and former

Campbelltown City coach Jan Kierno has been appointed as the new chief.

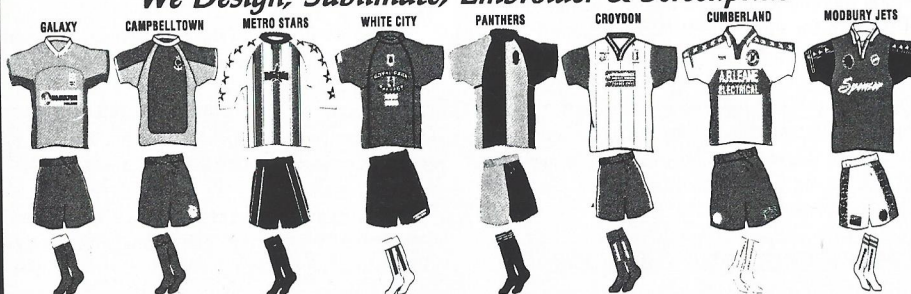

**Campbelltown City (eleventh)** – Campbelltown had its worst premier league season since 1994 and were duly relegated after failing to come to terms with a mass exodus of star players. Tony LaScala replaced coach Jan Kierno but it was all too late for the proud club. Whether the Red Devils can bounce back from their shock state league jaunt in a hurry will test the mettle of new coach Maurice Natale.

**Pirates (twelfth)** – Pirates became the biggest whipping boys of the premier league in more than 30 years, but to the clubs credit they still managed to finish the season with respect. The clubs board can hold their heads high after seeing out the season with dignity after a trying season. State League soccer will fully test the clubs resources.

## SMOKE FREE STATE LEAGUE 2002

VAL MIGLIACCIO

After a shaky start to the season, newly promoted premier league foes, Croydon Kings and Enfield City finally came good with a nail-biting end to the season.

And the story couldn't have been scripted any better.

Round 22, the final minor round game, proved to be the "grand final" in the race to win promotion.

Would it be Enfield with their sweet style of soccer or Croydon with their no nonsense tactics?

Enfield and Croydon were sitting first and second respectively on the table, level on 46 points with only goal difference separating the sides.

In round 22, Enfield needed a draw and they would become state league champion, thus climbing the easier road to premier league.

Croydon, however, had other plans and destroyed Enfield City with a 2-0 win, with the proud Kings celebrating their victory even before the final

whistle had been sounded.

Enfield's loss saw the club drop to third spot with tough as teak Cumberland leapfrogging into second place.

Enfield City coach Robbie DiTroia had a nervous wait and was eager to find out whether his club was good enough for promotion, with the top 5 finals series proving to be one of the most intriguing on record.

Week one of the play offs was a total disaster for Noarlunga United who succumbed to a superb Northern Demons (1-2), who made sure of another chance for the holy grail.

Enfield City got their game together and fired Cumberland 4-1 which gave Cumberland an anxious knockout semi final against a determined Northern Demons.

Cumberland overcame their poor start to the play offs and beat Northern Demons 3-2 and survived a

late come back by the Port Pirie club, while Enfield City won its way into the grand final with a physical 2-1 extra time win over minor premier Croydon.

Despite dropping the minor premiership, Enfield City must have been secretly hoping that Croydon would knock off Cumberland in the all-important preliminary final.

Enfield's wishes came true with Kings winning 2-0 and both clubs were destined for the premier league without a grand final ball being kicked in anger.

But rather than being a picnic grand final both sides were out to prove who was the best state league club in a thriller.

Physical clashes were predominant in the toughest grand final on record and despite a couple of send offs, with referee Matthew Cream really earning his money in keeping other players on the park, Croydon Kings did enough to win the clash of the titans 3-2.

Kings' stalwart Shane Porter was like a kid in a lolly shop after he announced his retirement before the play offs kicked off.

Porter justifiably ended his illustrious career with a premiership and 300 games under his belt.

#### RESUME OF STATE LEAGUE CLUBS – 2002

**Croydon Kings (premier)** – The Kings bounced right back into the premier league after their shock relegation 2001 premier league season. Coach Ennio Luongo worked on his side's strengths with the Woods' brothers Craig and Marc proving to be one of the most lethal sibling combinations in the league. They will need to strengthen their stocks to remain a power in the premier league.

**Enfield City (runner up)** – Enfield City had an almighty season with coach Robbie DiTroia assembling a side of capable ball players. Enfield's Mark Mulady was the best striker in the league and his mean feat was the turning point in the club's success last season. Enfield is another club that would need to recruit or face a season fighting for survival.

**Cumberland United (third)** – Cumberland were just off the premier league mark and were let down by some ordinary results against poorer opposition. After winning the premier league championship in 1999 the Foxes have a lot of soul searching to do to climb back to the glory days.

**Northern Demons (fourth)** – If all the state league matches were played on their home turf in Port Pirie, the regional side might have a slight chance of premier league promotion. Unfortunately travelling 300 kms every second week takes its toll. Demons biggest hurdle is to get most of the squad

training together instead of meeting up on match day.

**Noarlunga United (fifth)** – United had a better season than 2001 but still couldn't remain a consistent threat to the title challengers. Nonetheless Noarlunga has been producing exciting talent down south and if given the chance the youth might point the club into the premier league.

**Adelaide Hills (sixth)** – The Hills had a solid year despite finishing out of the top 5 and appear to be on the improve with a blend of youth and experience. Hills giant killing winning matches simply weren't enough to sustain a top 5 with inconsistency robbing the club of success.

**Port Pirie City (seventh)** – Pirie courageously fought its way to seventh place but finishing below neighbours Demons would have hurt the clubs pride. Pirie undoubtedly will correct the alarming statistic with a bumper 2003 season expected.

**Adelaide Cobras (eighth)** – Cobras battled on with limited resources and should have finished a lot higher than their average eighth place. A wicked team spirit will help the club at least have another shot at premier league promotion.

**Western Strikers (ninth)** – Mario Corti's Italian Serie A experience as boss wasn't enough for Strikers. Corti led Strikers at the start of the season and the youngsters appeared to be heading for a record season – until the wheels starting falling off with the club unable to bounce back from a couple of startling defeats.

**Salisbury United (tenth)** – South Australian Premier Mike Rann is Salisbury's number one ticket holder but it hasn't helped the club on the park. Mr Rann's stories about George Best and his drinking habits when they met in England makes for a good social night at the club. Nonetheless, the Berries need to concentrate on getting the best resources from the wonderful northern suburbs soccer schools in order to better their standing.

**Panthers (eleventh)** – Panthers tried in vain all year but still managed to keep its self-esteem intact even though the club won only one match for the season. Sooner or later the clubs youth policy which kicked off with a bang a few years ago will surely kick in the club hoping for an abundance in young stock for the first team.

**Seaford (twelfth)** – The Surfers are still a long way from challenging for anything. Credit is due to the club's administration for holding onto to the club for the good of the southern community. Seaford's hierarchy must be commended and it's hoped that the club will have a much better 2003 for its efforts.

The 2002 Federation Cup final was billed as the David versus Goliath clash with premier league giants Adelaide Galaxy taking on the might of the state league's Croydon Kings in the final at Hindmarsh Stadium.

Croydon kick started the final with tempestuous vigour with 20 minutes worth of bone crunching tackles, with Galaxy failing to find its premier league rhythm.

Galaxy patiently waited for the Kings' adrenalin to run out of steam before powering to a solid 3-0 win.

The ferocious Woods brothers Marc and Craig, who singled handedly fuelled Kings desire for Cup success almost stunned the favourites, with a display of powerful teamwork which included getting themselves dirty with their ball winning skills.

The Federation Cup produced its usual dramatic exits and round 1 saw the Blue Eagles depart the cup race after going down to Galaxy 1-2 at Marden.

Campbelltown City whacked Whyalla City Croatia

15-0 in the mismatch of the Cup and Adelaide City ended Para Hills dreams with a 2-1 win.

Round 2 saw Enfield City kill off embattled premier league club Pirates 3-1 with Croydon Kings thumping Northern Demons 5-2.

The quarter finals brought out the best of a typical cup competition with giant killer Croydon Kings upsetting a gallant Adelaide City 3-0 and Galaxy scrapping past a tough Adelaide Olympic 1-0.

Playford City made Campbelltown's struggling season even more miserable with a 2-1 win and Enfield City were shown the cup door after Raiders trounced the enthusiastic club 4-1.

The Federation Cup got down to real business in the semi-final with Kings upsetting 2002 premier Raiders 2-1 in a stunning performance.

A courageous Playford pushed Galaxy, but Ivanovic's lads did enough to win a Cup final Guernsey in a 3-2 win.

## NSL OVERVIEW 2002/03

VAL MIGLIACCIO

Soccer Australia has decided to introduce a brand new top 6 final format, which is almost a copy-cat version of the play off system used in Switzerland this season.

The championship series allows the NSL's top 6 sides the chance to play a long and enduring home and away version with the top 2 sides after ten rounds of finals action playing off for the grand final.

However there is a catch.

The top 2 sides of the minor round home and away series are awarded points allowing them to get a head start on their competition.

The minor premier receives a handy gift of six championship series points while the second placed side gains three valuable points.

The concept is interesting but yet untried and it is hoped that the top 2 sides don't gallop away in the early stages of the championship series, thus making for some "dead matches" during Australian soccer's business end of the season.

Consequently reigning premier Olympic Sharks and 2002 runner up Perth Glory have virtually stitched up first and second spot – not necessarily in that order – the scurry for the remaining four championship series places has been exhilarating.

Up until round 18 South Melbourne, Newcastle United, Parramatta Power and Adelaide City appear set to join Perth and Olympic with 6th placed Force opening up a 5 point gap over its nearest rival Wollongong Wolves.

However the minor round has possibly been the most competitive on record despite the dismal lack of television coverage and basic marketing on offer for Australia's most recognised soccer league.

The game has been in wild turmoil since the start of the season with a distinctive lack of direction, but under the current circumstances most clubs can hold their heads high in producing adequate sides in trying circumstances.

Soccer Australia appear set to have another crack at relaunching the NSL at the end of the season.

It's all been heard and done before, but this time the game has been lovingly kissed in a remarkable twist of fate which will force our game into dramatic positive changes which were headed by South Australia's own Oceania president Mr Basil Scarsella.

Mr Scarsella won the FIFA executive over in an

important December FIFA meeting which finally granted the Oceania region one full welcome place for the FIFA World Cup, which will be held in Germany in 2006.

All Australia has to do now is qualify by beating their pacific region neighbours in a home and away series and the game should be set for a soccer snowball – at last.

As easy as it sounds, the local game now needs extraordinary changes to capitalise on what will happen in the future and Soccer Australia is running out of time to get it right for 2006.

Politics aside here's your favourite clubs' NSL report card –

**Olympic Sharks (2002 premier)** – The Sharks conquered a defiant Perth Glory in front of a parochial West Australian home crowd to break Glories hearts again in the 2002 grand final. Coach Gary Phillips did the "impossible" in his first stint as boss and it appears that Sharks have finally gained the respect they deserve this season. Sharks came to Adelaide and trounced Force 3-1 in round 13 in a powerful display of total football in 36C degree heat. Sharks will be hard to beat for the title and the signing of Joel Porter to boost their attacking stocks has enhanced their favouritism.

**Perth Glory (2002 runner up)** – Glory continue to defy the declining trend of the NSL by spending millions of dollars on promotion – plus the club has a star studded side to boot. Former Force attacker Brad Hassell has had his best season since 1995 when he combined with another former black and white star now making headlines in Perth, Damian Mori. Hassell has been scoring frequently and laying on the goals for Mori with the club boasting a who's who of the NSL. Glory is yet to win a title after their hard efforts to keep the Perth public on side and time might be running out for this side, which needs a premiership or most players could be heading east, with the axe eagerly awaiting.

**South Melbourne** – After a sluggish start, coach Danny Wright took over from deposed chief Eddie Krncevic and has finally got the Melbourne lads fighting in the right places – on the park. South is laden with youth and experience with Paul Trimboli and Mehmet Durakovic using their heads rather than physical endeavour push the club towards the premiership. Young Vince Lia has proven to be a handful and has slotted into the role left behind by

Con Boutsianis who walked away from the club in the off season.

**Newcastle United** – Coach Ian Crook has transformed United into an outfit, which is capable of doing a lot of damage to the respectable clubs. Former Campbelltown City keeper, big Daniel Beltrame has won over hoards of fans with his safe keeping along with speedster and former Force utility Travis Dodd who has proudly adopted the Newcastle way of life. United has built a solid fortress at EnergyAustralia Stadium but needs to build on some good away results.

**Parramatta Power** – New Power coach Nick Theodorokopoulos cleaned out the cobwebs at Power and signed a wealth of new talent including Kosta Salapasidis from Adelaide Olympic. Theodorokopoulos has worked on tightening his defence with his former protégé at Wollongong Alvin Ceccoli and Nick Orlic performing admirably in front of SASI product and Power keeper Liam Reddy. At the end of January Power boasted the NSL's second best defence behind Glory.

**Adelaide City Force** – It was to be the start of a brand new era under newly appointed coach Charley Villani and the arrival of a host of players.

The return of Italians Claudio Pelosi and Gianluca Lagati, the signing of another Italian Diego Pellegrini plus the return of Goran Lozanovski and former Olyroo Michael Valkanis heralded a new dawn in Force history. However the situation in December changed radically when Villani resigned after a string of poor results, and, to cut a long story short, Zoran Matic was reinstated as caretaker coach in January. Since the return of the maestro, Force has again picked up the top 6 momentum plus signed another keeper, Louie Acevski and another import Mariano Alberto Agüero from Argentina. There appears to be no turning back for Force with a healthy finish predicted for a very capable side.

**Wollongong Wolves** – Sometimes the game's highs and lows are based around the budget coaches are given and Ron Corry has proved that a team can pull together on a shoestring financial plan. After a dirty start to the season, Wolves has mixed it with the best and is slowly pushing to be included in the top 6 championship series. The nucleus of the back-to-back premiership sides of the second millennium have all but disappeared with another former Force product Dino Mennillo hitting his straps after a delicate operation. Wolves can make the top 6, but time is a valuable factor which is disappearing fast.

**Melbourne Knights** – Andrew Marth found out the hard way about being a player/coach in the NSL. Marth was fired from coaching in late January after a string of poor results which saw the club win two out of nine matches and was asked to "go fishing" by the a member of the Knights' board.

Marth's departure seemed to work as Melbourne took a road trip to Brisbane and fired the Strikers 5-1 on Australia Day eve. Knights are still within a chance of making the top 6 cut but need to inspire at home and pressurise the better clubs away.

**Sydney United** – United also sacked coach Brank Culina at the wrong end of the season and are looking to sure up their future. Culina's departure was a surprise as the astute coach tried his best to work with a depleted squad. Nonetheless United has a good basis to work with and their next coach might be able to reap potential rewards.

**Brisbane Strikers** – Strikers are struggling after beating some of the NSL's big guns including Perth and Olympic, yet falling in a hole against "lower" opposition. At the three-quarter mark of the season Strikers' still have a mathematical chance of making the top 6 grade. Strikers need to look within to find the root of their underlying problem of falling apart especially with super players in the class of Brazilian import Fernando Rech and Stephen Laybutt.

**Northern Spirit** – The Spirit have been caught far behind the pack largely due to a host of deferred matches, all because they have supplied the basis of the Young Socceroos World Cup qualifying side. At the same time Spirit has attracted the experience of Alex Tobin who surpassed the incredible milestone of 500 NSL games against Perth Glory at Perth Oval on February 1. Tobin's record is amazing considering he has taken all the Australian football codes professional records before him. It is only hoped that Tobin can win the deserved recognition he thoroughly deserves in his soccer home-town of Adelaide.

**Football Kingz** – When will our Tasman neighbours prove to us that they are worthy of the NSL big time. Kingz dropped their bundle again this season after a brighter start than normal. Kingz are New Zealand's only NSL club and with all the pending Kiwi support behind them, they have disappointed an expectant Australian NSL which is crying out for better Oceania competition. Kingz are all but out of the top 6 race and seriously need a major overhaul to gain some Aussie respect.

**Marconi Stallions** – Axed boss Raul Blanco inherited an average squad and paid the ultimate price when he was asked to leave in January, following a 3-0 Force thumping, by Stallions' football director Rale Rasic who has taken charge. The Stallions have gone from bad to worse and hold the wooden spoon at the end of January. The new year saw Stallions' season receive another jolt with a 0-7 thrashing by Power, its most severe hiding on record against current NSL opposition.
